

Clean Power Plan: Development of Colorado's State 111(d) Plan Meeting Plan

MEETINGS PROCESS

MEETING TYPES

Colorado will conduct a number of meetings on a variety of issues with interested entities that may include one-on-one meetings, broad public meetings and/or topic-specific workgroup sessions.

Public meetings will be:

- Held approximately monthly through June 2016
- Held throughout the state
- Open to anyone
- Webcast whenever possible
- Posted at least one month in advance at: <https://www.colorado.gov/cdphe/CleanPowerPlan>

Generally, public meetings will:

- Provide a status update on the development of Colorado's State Plan
- Allow for public comment - either broad or discrete topic-specific comments
- Identify the next public meeting details

Comments may also be submitted at any time at: cdphe.commentsapcd@state.co.us
