

Dedicated to protecting and improving the health and environment of the people of Colorado

Searching Web Drawer For Asbestos Documents

Link: <http://environmentalrecords.colorado.gov/HPRMWebDrawer/Record>

Select Address from the drop down menu in the first Title Word box:

Address ▼	Equal To
-----------	----------

Enter the full address you would like to search for:

- Enter the address in quotations
- Do not use punctuation
- Use standard postal abbreviations such as St for Street or Ln for Lane

Address ▼	"3028 S Grape St"
-----------	-------------------

OR Search by a partial address:

Address ▼	3028*
-----------	-------

- This will pull up all records containing 3028

OR If you know the permit number, you can search the Permit/Pkg field:

Permit/Pkg ▼	16SU0489A
--------------	-----------

De-select all divisions besides the Air Pollution Control Division:

- Air Pollution Control Division Water Quality Control Division
 Air Quality Control Commission Water Quality Control Commission Solid and Hazardous Waste Commission

Select the search box:

<input type="button" value="Search"/>

Dedicated to protecting and improving the health and environment of the people of Colorado

All records for the requested address will display. To download the document, click the down load button on the right side of the screen.

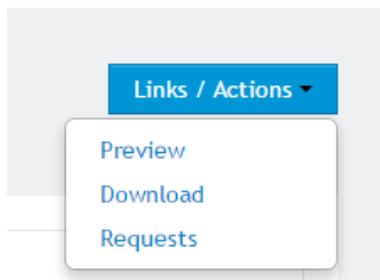

Or, you can click the Title of the document to see what information may be available. Also, if you only want to preview the document without downloading, click the Title. Previewing can be helpful if you are on mobile and not using WiFi.

You should get something like this. Go to the drop down menu, in the right corner and select Preview. If you do wish to download the document, you can select Download from the drop down menu, also.

Here is the drop down menu.

Dedicated to protecting and improving the health and environment of the people of Colorado

Other searches:

You can search by the company name:

Search Title Word from the drop down menu. Then enter the name of the company.

Go to the right corner of the search results and click the Contents button.

Title	Owner	Date Created	Record Number	
American Abatement	Air Pollution Control Division	03/09/2016 3:19 PM	000010	

The contents will show all of the documents which are in the company's container. There may be quite a few documents. You may need to scroll through to find the document you are looking for.

Title	Owner	Date Created	Record Number
