## **Frontier Airlines Definitions of Unrestricted and Capacity Controlled Fares:**

**Unrestricted Fare:** A full coach contract airfare--for example a YCACO fare-- is understood as a fare with no capacity controls that is fully refundable, requires no advance purchase, no overnight stay requirements, no flight specific limits and must have last seat availability-- a fare without restrictions. Fare is fully refundable and changeable. If there is a difference in fare on the change (i.e. city pair change) the difference will be collected.

**Capacity Controlled Fare:** A full coach contract airfare--for example a WCACO fare--is understood as a fare with capacity controls that is fully refundable, requires no advance purchase, no overnight stay requirements, no flight specific limits - a fare without restrictions. These fares shall be any available seat above the bottom 1/3 of the airline's seating hierarchy in coach class of the carrier's commercial fare classification code schedule. Fare is fully refundable and changeable. If there is a difference in fare (i.e. city pair change or the capacity controlled class of service is not available on the flight they chose to change to) the difference in fare will be collected.
