June 5, 2013

You previously received notice that the Department of Health Care Policy and Financing (Department) would reduce your hours of home health and you appealed that decision. The Department's appeals office has now determined that the notice originally sent to you lacked important information.

Therefore, the Department is restoring your benefit level as it existed before you appealed and will withdraw the notice of adverse action letter. A copy of this letter has been filed with the Office of Administrative Courts and you will not need to take any further action at this point.

Please be aware however, that the Department does not waive its right to reconsider your current benefit level in the future. Indeed, the Department will reconsider your claims and if medical necessity has not been met, you will receive a new notice letter with the right of appeal.

Please contact Joey Gallegos at 303-866-3473, or by email joey.gallegos@state.co.us if you have any questions.

Sincerely,

A handwritten signature in blue ink that reads 'Laurel Karabatsos'.
