Community Mental Health Services Program Covered Diagnoses and Procedures

The Community Mental Health Services Program (Mental Health Program) is a capitated program in which contracted Behavioral Healthcare Organizations (BHOs) provide or arrange for mental health and substance use disorder (SUD) services to enrolled members. Mental Health Program covered procedures and diagnoses are listed in this appendix.

The following instructions and information are guidelines only. For detailed Mental Health Program billing information, including emergency care and non-covered benefits, providers should refer to Community Mental Health Services Program (Mental Health Program) in the [CMS 1500 Specialty Billing Information](#) manual of the [Billing Manuals](#) section.

Providers must contact the BHO prior to providing services. With the exception of emergency care and Medicare services provided to dually eligible members, a provider must be enrolled (credentialed) into the BHO network in order to bill the BHO for mental health and SUD services delivered to Medicaid members with BHO-covered diagnoses.

837I (UB-04) Instructions

If the principal diagnosis is not a Mental Health Program covered diagnosis, bill either the Health Maintenance Organization (HMO) or Medicaid Fee-For-Service (FFS) depending on the member's enrollment. **If the principal diagnosis is a BHO-covered mental health diagnosis, bill the appropriate BHO based on the member's enrollment.** SUD diagnosis codes billed on a UB-04 are not covered by the BHO. For more information on eligibility and enrollment verification, please refer to Health First Colorado Member Eligibility in the [General Provider Information](#) section.

837P (CMS 1500) Instructions

If providing a service where both the primary diagnosis and the procedure for mental health and SUD are in this appendix, bill the appropriate BHO based on the member's enrollment. If providing a service where either the primary diagnosis or the procedure is not in this appendix, bill either the Health Maintenance Organization (HMO) or Medicaid Fee-For-Service (FFS) depending on the member's enrollment. Special Connection claims should continue to be billed to FFS.
