**Guideline for Accredited Physicians – Injuries pre-and post- 7/1/2008**  
**Changes per Senate Bill 08-241 and Workers' Compensation Rule 12-3**

**MEDICAL RECORDS OR OTHER OBJECTIVE EVIDENCE SUBSTANTIATES PRE-EXISTING IMPAIRMENT**

(1) 'Disabled' requires information that the prior injury was identified, treated, and independently disabling at the time of the current injury. 'Disability' is expected to include conditions which adversely impact the claimant's ability to perform his job, or limits the claimant's access to other jobs. Permanent work restrictions would generally fall in this category.
