|  www.estes.org 970-577-3726 PO Box 1200 170 MacGregor Ave Estes Park, CO 80517 | ATTIC FINAL INSTALLATION AFFIDAVIT OF COMPLIANCE Town of Estes Park Division of Building Safety |

The following conditions must be met before submitting an Affidavit:

- The contractor shall be pre-approved by the Chief Building Official
- The work shall be authorized by the appropriate permit
- The work shall be associated with an approved system
- The affidavit shall be on a form provided by the CBO

Check the statements that apply:

- No exhaust vents terminate within the attic area — range hood; bathroom fan; dryer; radon; flue vents.
- Depth markers for loose blown insulation are visible. Insulation is at the required depth
- Soffit vents and baffles are not blocked.
- Draftstopping has been restored between units.
- Loose blown insulation is evenly applied.
- The certificate of installation for loose insulation is properly filled out and readily available.
- Foam plastics are protected from ignition.
- Ducts, vents and piping are properly sealed, supported and insulated.
- Combustion air vents are unrestricted.
- Insulation shields are secured in place around flue vents with at least a 3' clearance from fan motors & other heat producing devices (unless listed otherwise) and extend at least 2" above the ceiling insulation.
- There are no fuel fired appliances located in the attic.
- (OPTIONAL> Photos of the ongoing installation have been provided.

With my signature I verify the (discipline) installation was performed in accordance with the manufacturers' installation specifications, the 2009 IRC, IMC, IFGC, IPC and/or IBC. I release the Town of Estes Park from all liability*.
