

Mission: To provide the highest quality water at the most affordable price for current customers and to provide for the expansion of the District as growth occurs.

Greetings & Salutations!

Watering Restrictions: There are no watering restrictions in effect for our Water District.

On-going issues: Our crews will be working in Rocking Horse Farms over the next few weeks repairing some of the inoperable curb stop valves located in the easements alongside your streets. Some will require us to excavate to get to these buried valves. We're also maintaining our fire hydrants throughout the district in order to ensure that they will work properly in the event of a fire.

Meter Reading: The monthly meter readings are performed on the 5th of each month for all neighborhoods.

Communication: Interested in knowing what is happening with your Water District? Have you had the chance to visit our website yet? Check us out at <http://www.colorado.gov/greatrocknorthwsd>.

You can join us on **Facebook** by searching for Greatrock North Water and Sanitation District and "Like" our page. For **Twitter**, search for the name of the District as well, we show up as @Greatrock_North and you can follow us there. We will use these sites to post updates, neighborhood events and water outages.

WATER QUALITY: The Board continues to monitor water quality so if you feel your quality is not what it should be, let us know by calling **303-987-0835**.

Expenses: Each month the District has to pay the bills. We all know that water comes at some cost. Since each month's expenses are different, I thought I would share each month just how much we, as a District, pay to keep us all in water, the bottom line.

Community Events: The 1st day of school is 19 August. Watch out for the kids walking to and from bus stops.

Come to our meeting: Our next Board meeting will be on September 2nd at the United Power Building. One thing to note is the door locks at 5:30pm. If you drop by after 5:30pm, to the right of the doors are some windows. We keep the blinds open and keep an eye out for those who are a little late in arrival. Hope to see you all at our next meeting!!
