12-6-101. Legislative declaration

(1) The general assembly hereby declares that:

(a) The sale and distribution of motor vehicles affects the public interest and a significant factor of inducement in making a sale of a motor vehicle is the trust and confidence of the purchaser in the retail dealer from whom the purchase is made and the expectancy that such dealer will remain in business to provide service for the motor vehicle purchased;

(b) Proper motor vehicle service is important to highway safety and the manufacturers and distributors of motor vehicles have an obligation to the public not to terminate or refuse to continue their franchise agreements with retail dealers unless the manufacturer or distributor has first established good cause for termination or noncontinuance of any such agreement, to the end that there shall be no diminution of locally available service;

(c) The licensing and supervision of motor vehicle dealers by the motor vehicle dealer board are necessary for the protection of consumers and therefore the sale of motor vehicles by unlicensed dealers or salespersons, or by licensed dealers or salespersons who have demonstrated unfitness, should be prevented;

(d) Consumer education concerning the rules and regulations of the motor vehicle industry, the considerations when purchasing a motor vehicle, and the role, functions, and actions of the motor vehicle dealer board are necessary for the protection of the public and for maintaining the trust and confidence of the public in the motor vehicle dealer board; and

(e) Subject to the United States constitution and the Colorado constitution, this article applies to each sales, service, and parts agreement in effect, regardless of when the agreement was adopted.

(2) The board shall annually in the month of July elect from the membership thereof a president, a first vice-president, and a second vice-president. The board shall meet at such times as it deems necessary. A majority of the board shall constitute a quorum at any meeting or hearing.

(f) (I) To summarily issue cease-and-desist orders on such terms and conditions and for such period of time as to the executive director appears fair and just to any person who is licensed by the executive director pursuant to this part 1 if such orders are followed by notice and a hearing pursuant to section 12-6-104 (3) (e) (I).

(II) To issue cease-and-desist orders to persons acting as motor vehicle manufacturers without the manufacturer's license required by this part 1.

(III) To impose a fine, not to exceed one thousand dollars per day, for each violation of section 12-6-120 (1) after a notice and hearing subject to section 24-4-105, C.R.S.

(g) (Deleted by amendment, L. 92, p. 1847, § 5, effective July 1, 1992.)

(2) In the event any person fails to comply with a cease-and-desist order issued pursuant to this section, the executive director may bring a suit for injunction to prevent any further and continued violation of such order. In any such suit the final proceedings of the executive director, based upon evidence in record, shall be prima facie evidence of the facts found therein.

(3) The executive director may impose a civil fine of not less than ten thousand dollars and not more than twenty-five thousand dollars on a motor vehicle manufacturer, distributor, or manufacturer representative who knowingly violates section 12-6-120.3 (5). Each day that a manufacturer, distributor, or manufacturer representative violates section 12-6-120.3 (5) by failing to offer the right of first refusal or failing to make a payment required by section 12-6-120.3 (5) is a separate offense.

12-6-106. Records as evidence.

Copies of all records and papers in the office of the board or executive director, duly authenticated under the hand and seal of the board or executive director, shall be received in evidence in all cases equally and with like effect as the original thereof.

12-6-107. Attorney general to advise and represent.

1) The attorney general of this state shall represent the board and executive director and shall give opinions on all questions of law relating to the interpretation of this part 1 or arising out of the administration thereof and shall appear for and in behalf of the board and executive director in all actions brought by or against them, whether under the provisions of this part 1 or otherwise.

(2) The board may request the attorney general to make civil investigations and enforce rules and regulations of the board in cases of civil violations and to bring and defend civil suits and proceedings for any of the purposes necessary and proper for carrying out the functions of the board.

12-6-108. Classes of licenses.

(1) Licenses issued under the provisions of this part 1 shall be of the following classes:

(a) Motor vehicle dealer's license shall permit the licensee to engage in the business of selling, exchanging, leasing, or offering new and used motor vehicles, and this form of license shall permit not more than two persons named therein who shall be owners or part owners of the business of the licensee to act as motor vehicle salespersons.

(b) Used motor vehicle dealer's license shall permit the licensee to engage in the business of selling, exchanging, leasing, or offering used motor vehicles only. Such license shall also permit a licensee to negotiate for a consumer the sale, exchange, or lease of used and new motor vehicles not owned by the licensee, except those vehicles defined in section 42-1-102 (55), C.R.S., as motorcycles and section 33-14.5-101 (3), C.R.S., as off-highway vehicles; however, prior to completion of such sale, exchange, or lease of a motor vehicle not owned by the licensee, the licensee shall disclose in writing to the consumer whether the licensee will receive any compensation from the consumer and whether the licensee will receive any compensation from the owner of the motor vehicle as a result of such transaction. If the licensee receives compensation from the owner of the motor vehicle as a result of the transaction, the licensee shall include in the written disclosure the name of such owner from whom the licensee will receive compensation. This form of license shall permit not more than two persons named therein who shall be owners or part owners of the business of the licensee to act as motor vehicle salespersons.

(c) Motor vehicle salesperson's license shall permit the licensee to engage in the activities of a motor vehicle salesperson.

(c.1) (Deleted by amendment, L. 92, p. 1849, § 8, effective July 1, 1992.)

(d) Manufacturer's or distributor's license shall permit the licensee to engage in the activities of a manufacturer, distributor, factory branch, or distributor branch and to sell fire trucks.

(e) Wholesaler's license shall permit the licensee to engage in the activities of a wholesaler.

(f) Manufacturer representative's license shall permit the licensee to engage in the activities of a manufacturer representative.

(g) Buyer agent's license shall permit the licensee to engage in the activities of a buyer agent.

(h) (I) Wholesale motor vehicle auction dealer's license shall permit a licensee to engage in the activities of a wholesale motor vehicle auction dealer if the licensee provides auction services solely in connection with wholesale transactions in which the purchasers are motor vehicle dealers licensed by this state or any other jurisdiction or in connection with the sale of government vehicles to consumers at a time and place that does not conflict with a wholesale motor vehicle auction conducted by that licensee. A wholesale motor vehicle auction dealer shall abide by all laws and rules of the state of Colorado.

(II) A wholesale motor vehicle auction dealer shall maintain a check and title insurance policy for the benefit of such dealer's customers or, alternatively, a wholesale motor vehicle auction dealer shall provide written guarantees of title to such dealer's purchasing customers and written guarantees of payment to such dealer's selling dealers with coverage and exclusions that are customary in check and title insurance policies available to wholesale motor vehicle auction dealers.

(2) Any license issued by the executive director pursuant to law in effect prior to July 1, 1992, shall be valid for the period for which issued.

(3) The licensing requirements of this part 1 do not apply to banks, savings banks, savings and loan associations, building and loan associations, or credit unions or an affiliate or subsidiary of such entities in offering to sell, or in the sale of, a motor vehicle that was subject to a lease or that has been repossessed or foreclosed upon if the repossession or foreclosure is in connection with a loan made or originated in Colorado.

(4) The licensing requirements of this part 1 shall not apply to an insurance company selling or offering to sell a motor vehicle through a motor vehicle dealer or used motor vehicle dealer if the vehicle is obtained by the company as a result of an insurance claim.

12-6-108.5. Temporary motor vehicle dealer license

(1) If a licensed vehicle dealer has entered into a written agreement to sell a dealership to a purchaser and the purchaser has been awarded a new dealership franchise, the board may issue a temporary motor vehicle dealer's license to such purchaser or prospective purchaser. The executive director shall issue the temporary license only after the board has received the applications for both a temporary motor vehicle dealer's license and a motor vehicle dealer's license, the appropriate application fee for the motor vehicle dealer's application, evidence of a passing test score, and evidence that the franchise has been awarded to the applicant by the manufacturer. Such temporary motor vehicle dealer's license shall authorize the licensee to act as a motor vehicle dealer. Such temporary licensees shall be subject to all the provisions of this article and to all applicable rules and regulations adopted by the executive director or the board. Such temporary motor vehicle dealer's license shall be effective for up to sixty days or until the board acts on such licensee's application for a motor vehicle dealer's license, whichever is sooner.

(2) For the purpose of enabling an out-of-state dealer to sell vehicles on a temporary basis during specifically identified events, the executive director may issue, upon direction by the board, a temporary dealer's license which shall be effective for thirty days. Such temporary license shall subject the licensee to compliance with rules and regulations adopted by the executive director or the board.

12-6-109. Display, form, custody, and use of licenses

The board and the executive director shall prescribe the form of the license to be issued by the executive director, and each license shall have imprinted thereon the seal of their offices. The license of each motor vehicle salesperson shall be mailed to the business address where the salesperson is licensed under this article and shall be kept by the salesperson at such salesperson's place of employment for inspection by employers, consumers, the executive director, or the board. It is the duty of each motor vehicle dealer, manufacturer, distributor, wholesaler, manufacturer representative, wholesale motor vehicle auction dealer, or used motor vehicle dealer to display conspicuously such person's own license in such person's place of business. Each license issued pursuant to this part 1 is separate and distinct. It shall be a violation of this part 1 for a person to exercise any of the privileges granted under a license that such person does not hold, or for a licensee to knowingly allow such an exercise of privileges.

12-6-110. Fees - disposition - expenses - expiration of licenses

(1) There shall be collected with each application the fee established pursuant to subsection (5) of this section for each of the following licenses:

(a) (I) Motor vehicle dealer's or used motor vehicle dealer's license;

(II) Motor vehicle dealer's or used motor vehicle dealer's license, for each place of business in addition to the principal place of business;

(III) Renewal or reissue of motor vehicle dealer's or used motor vehicle dealer's license after change in location or lapse in principal place of business;

(b) Manufacturer's license;

(c) Distributor's license;

(d) Wholesaler's license;

(e) (Deleted by amendment, L. 2003, p. 1302, § 5, effective April 22, 2003.)

(f) Manufacturer representative's license;

(g) Motor vehicle salesperson's license including, but not limited to, reissuing a license;

(h) (Deleted by amendment, L. 92, p. 1851, § 11, effective July 1, 1992.)

(i) Buyer agent's license;

(j) Wholesale motor vehicle auction dealer's license.

(2) All such fees shall be paid to the state treasurer who shall credit the same to the auto dealers license fund.

(2.5) If an application for a buyer agent's, motor vehicle dealer's, used motor vehicle dealer's, wholesaler's, or salesperson's license is withdrawn by the applicant prior to issuance of the license, one-half of the license fee shall be refunded.

(3) (a) Such licenses, if the same have not been suspended or revoked as provided in this part 1, shall be valid until one year following the month of issuance thereof and shall then expire; except that any license issued under this part 1 shall expire upon the voluntary surrender thereof or upon the abandonment of the licensee's place of business for a period of more than thirty days.

(b) Thirty days prior to the expiration of such licenses, the executive director shall mail to any such licensee's business address of record a notice stating when such person's license is due to expire and the fee necessary to renew such license. For a salesperson or manufacturer representative, the notice shall be mailed to the address of the dealer or manufacturer where such person is licensed.

(c) Upon the expiration of such license, unless suspended or revoked, the same may be renewed upon the payment of the fees specified in this section, which shall accompany applications, and such renewal shall be made from year to year as a matter of right; except that, if a motor vehicle dealer, used motor vehicle dealer, or wholesaler voluntarily surrenders its license or abandons its place of business for a period of more than thirty days, the licensee is required to file a new application to renew its license.

(d) A transition procedure for licensees licensed prior to July 1, 1992, shall be established by the board or the executive director by rule and regulation.

(e) Notwithstanding paragraph (a) of this subsection (3), a person has a thirty-day grace period after his or her license expires, and the person may renew the license within such thirty days pursuant to paragraph (c) of this subsection (3), so long as the person has a bond in full force and effect that complies with the applicable bonding requirements of section 12-6-111, 12-6-112, or 12-6-112.2 during such thirty-day period. A person applying during the thirty-day grace period shall pay a late fee established pursuant to subsection (5) of this section.

(4) (Deleted by amendment, L. 92, p. 1851, § 11, effective July 1, 1992.)

(5) (a) The board shall propose, as part of its annual budget request, an adjustment in the amount of each fee which the board is authorized by law to collect. The budget request and the adjusted fees for the board shall reflect direct and indirect costs.

(b) Based upon the appropriation made and subject to the approval of the executive director, the board shall adjust the fees collected by the executive director so that the revenue generated from said fees covers the direct and indirect costs of administering this article. Such fees shall remain in effect for the fiscal year for which the appropriation is made.

(c) Whenever moneys appropriated to the board for its activities for the prior fiscal year are unexpended, said moneys shall be made a part of the appropriation to the board for the next fiscal year, and such amount shall not be raised from fees collected by the board or the executive director. If a supplemental appropriation is made to the board for its activities, the fees of the board and the executive director, when adjusted for the fiscal year next following that in which the supplemental appropriation was made, shall be adjusted by an additional amount which is sufficient to compensate for such supplemental appropriation. Moneys appropriated to the board in the annual general appropriation bill shall be from the fund provided in section 12-6-123.

12-6-111. Bond of licensee.

(1) Before any motor vehicle dealer's, wholesaler's, wholesale motor vehicle auction dealer's, or used motor vehicle dealer's license shall be issued by the board through the executive director to any applicant therefor, the said applicant shall procure and file with the board evidence of a savings account, deposit, or certificate of deposit meeting the requirements of section 11-35-101, C.R.S., or a good and sufficient bond with corporate surety thereon duly licensed to do business within the state, approved as to form by the attorney general of the state, and conditioned that said applicant shall not practice fraud,

make any fraudulent representation, or violate any of the provisions of this part 1 that are designated by the board by rule in the conduct of the business for which such applicant is licensed. A motor vehicle dealer or used motor vehicle dealer shall not be required to furnish an additional bond, savings account, deposit, or certificate of deposit under this section if such dealer furnishes a bond, savings account, deposit, or certificate of deposit under section 12-6-512.

(2) (a) The purpose of the bond procured by the applicant pursuant to subsection (1) of this section and section 12-6-112.2 (1) is to provide for the reimbursement for any loss or damage suffered by any retail consumer caused by violation of this part 1 by a motor vehicle dealer, used motor vehicle dealer, wholesale motor vehicle auction dealer, or wholesaler. For a wholesale transaction, the bond is available to each party to the transaction; except that, if a retail consumer is involved, such consumer shall have priority to recover from the bond. The amount of the bond shall be fifty thousand dollars for a motor vehicle dealer applicant, used motor vehicle dealer applicant, wholesale motor vehicle auction dealer applicant, or wholesaler applicant except the amount of the bond shall be five thousand dollars for those dealers who sell only small utility trailers that weigh less than two thousand pounds. The aggregate liability of the surety for all transactions shall not exceed the amount of the bond, regardless of the number of claims or claimants.

(b) No corporate surety shall be required to make any payment to any person claiming under such bond until a final determination of fraud or fraudulent representation has been made by the board or by a court of competent jurisdiction.

(3) All bonds required pursuant to this section shall be renewed annually at such time as the bondholder's license is renewed. Such renewal may be done through a continuation certificate issued by the surety.

(4) Nothing in this part 1 shall interfere with the authority of the courts to administer and conduct an interpleader action for claims against a licensee's bond.

12-6-112. Motor vehicle salesperson's bond.

(1) Before any motor vehicle salesperson's license is issued by the board through the executive director to any applicant therefor, the applicant shall procure and file with the board evidence of a savings account, deposit, or certificate of deposit meeting the requirements of section 11-35-101, C.R.S., or a good and sufficient bond in the amount of fifteen thousand dollars with corporate surety thereon duly licensed to do business within the state, approved as to form by the attorney general of the state, and conditioned that said applicant shall perform in good faith as a motor vehicle salesperson without fraud or fraudulent representation and without the violation of any of the provisions of this part 1 that are designated by the board by rule. A motor vehicle salesperson shall not be required to furnish an additional bond, savings account, deposit, or certificate of deposit under this section if such dealer furnishes a bond, savings account, deposit, or certificate of deposit under section 12-6-513.

(2) No corporate surety shall be required to make any payment to any person claiming under such bond until a final determination of fraud or fraudulent representation has been made by the board or by a court of competent jurisdiction.

(3) All bonds required pursuant to this section shall be renewed annually at such time as the bondholder's license is renewed. Such renewal may be done through a continuation certificate issued by the surety.

12-6-112.2. Buyer agent bonds.

(1) A buyer agent's license shall not be issued by the executive director to any applicant therefor until said applicant procures and files with the executive director evidence of a savings account, deposit, or certificate of deposit meeting the requirements of section 11-35-101, C.R.S., or a good and sufficient bond in the amount of five thousand dollars with a corporate surety duly licensed to do business within the state and approved as to form by the attorney general. The bond shall be available to ensure that said applicant shall perform in good faith as a buyer agent without fraud or fraudulent representation and without violating any of the provisions of this part 1 that are designated by the executive director by rule.

(2) All bonds required pursuant to this section shall be renewed annually at such time as the bondholder's license is renewed. Such renewal may be done through a continuation certificate issued by the surety.

(3) No corporate surety shall be required to make any payment to any person claiming under such bond until a final determination of fraud or fraudulent representation has been made by the executive director or by a court of competent jurisdiction.

12-6-112.7. Notice of claims honored against bond

(1) Any corporate surety which has provided a bond to a licensee pursuant to the requirements of section 12-6-111, 12-6-112, or 12-6-112.2 shall provide notice to the board and executive director of any claim which is honored against such bond. Such notice shall be provided to the board and executive director within thirty days after a claim is honored.

(2) A notice provided by a corporate surety pursuant to the requirement of subsection (1) of this section shall be in such form as required by the executive director subject to approval by the board and shall include, but shall not be limited to, the name of the licensee, the name and address of the claimant, the amount of the honored claim, and the nature of the claim against the licensee.

12-6-113. Testing licensees.

Persons applying for a motor vehicle dealer's, used motor vehicle dealer's, wholesaler's, wholesale motor vehicle auction dealer's, or motor vehicle salesperson's license under this part 1 shall be examined for their knowledge of the motor vehicle laws of the state of Colorado and the rules promulgated pursuant to this part 1. If the applicant is a corporation, the managing officer shall take

such examination, and, if the applicant is a partnership, all the general partners shall take such examination. No license shall be issued except upon successful passing of the examination. The board shall implement by January 1, 2008, a psychometrically valid and reliable salesperson examination that measures the minimum level of competence necessary to practice. This section shall not apply to a powersports vehicle dealer, used powersports vehicle dealer, or powersports salesperson licensed pursuant to part 5 of this article.

12-6-114. Filing of written warranties.

All licensed manufacturers shall file with the executive director all written warranties and changes in written warranties that such manufacturer makes on any motor vehicle or parts thereof. All licensed manufacturers shall file with the executive director a copy of the delivery and preparation obligations of a manufacturer's dealer, and these warranties and obligations shall constitute the dealer's only responsibility for product liability as between the dealer and the manufacturer. Any mechanical, body, or parts defects arising from any express or implied warranties of the manufacturer shall constitute the manufacturer's product or warranty liability, and the manufacturer shall reasonably compensate any authorized dealer who performs work to rectify said manufacturer's product or warranty defects.

12-6-115. Application - prelicensing education - rules

(1) Application for a motor vehicle dealer's, motor vehicle salesperson's, used motor vehicle dealer's, wholesale motor vehicle auction dealer's, or wholesaler's license shall be made to the board.

(6) All persons applying for a motor vehicle dealer's license, a used motor vehicle dealer's license, a wholesaler's license, a motor vehicle auctioneer's license, or a motor vehicle salesman's license shall file

with the board a good and sufficient instrument in writing in which he shall appoint the secretary of the board as the true and lawful agent of said applicant upon whom all process may be served in any action which may thereafter be commenced against said applicant arising out of any claim for damages suffered by any firm, person, association, or corporation by reason of the violation of said applicant of any of the terms and provisions of this part 1 or any condition of the applicant's bond.

(7) (a) A person applying for a used motor vehicle dealer's license, a wholesale motor vehicle auction dealer's license, or a wholesaler's license shall file with the board a certification that the applicant has met the educational requirements for licensure under this subsection (7). This subsection (7) shall not apply to a person who has held a license within the last three years as a motor vehicle dealer, used motor vehicle dealer, wholesaler, wholesale motor vehicle auction dealer, powersports vehicle dealer, or used powersports vehicle dealer under this part 1 or part 5 of this article.

(b) An applicant for a used motor vehicle dealer's license, a wholesale motor vehicle auction dealer's license, or a wholesaler's license shall not be licensed unless one of the following persons has completed an eight-hour preclicensing education program:

(I) The managing officer if the applicant is a corporation or limited liability company;

(II) All of the general partners if the applicant is any form of partnership; or

(III) The owner or managing officer if the applicant is a sole proprietorship.

(c) The preclicensing education program shall include, without limitation, state and federal statutes and rules governing the sale of motor vehicles.

(d) A preclicensing education program shall not fulfill the requirements of this section unless approved by the board. The board shall approve any program with a curriculum that reasonably covers the material required by this section within eight hours.

(e) The board may adopt rules establishing reasonable fees to be charged for the preclicensing education program.

(f) The board may adopt reasonable rules to implement this section, including, without limitation, rules that govern:

(I) The content and subject matter of education;

(II) The criteria, standards, and procedures for the approval of courses and course instructors;

(III) The training facility requirements; and

(IV) The methods of instruction.

(g) An approved preclicensing program provider shall issue a certificate to a person who successfully completes the approved preclicensing education program. The current certificate of completion, or a copy of the certificate, shall be posted conspicuously at the dealership's principal place of business.

(h) An approved preclicensing program provider shall submit a certificate to the executive director for each person who successfully completes the preclicensing education program. The certificate may be transmitted electronically.

12-6-116. Notice of change of address or status.

(1) The board, through the executive director, shall not issue a motor vehicle dealer's license or used motor vehicle dealer's license to any applicant therefor who has no principal place of business as is defined in this part 1. Should the motor vehicle dealer or used motor vehicle dealer change the site or location of such dealer's principal place of business, such dealer shall immediately upon making such change so notify the board in writing, and thereupon a new license shall be granted for the unexpired portion of the term of such license at a fee established pursuant to section 12-6-110. Should a motor vehicle dealer or used motor vehicle dealer, for any reason whatsoever, cease to possess a principal place of business, as defined in this part 1, from and on which such dealer conducts the business for which such dealer is licensed, such dealer shall immediately so notify in writing the board and, upon demand therefor by the board, shall deliver to it such dealer's license, which shall be held and retained until it appears to the board that such licensee again possesses a principal place of business; whereupon, such dealer's license shall be reissued. Nothing in this part 1 shall be construed to prevent a motor vehicle dealer or used motor vehicle dealer from conducting the business for which such dealer is licensed at one or more sites or locations not contiguous to such dealer's principal place of business but operated and maintained in conjunction therewith.

(2) Should the motor vehicle dealer change to a new line of motor vehicles, add another franchise for the sale of new motor vehicles, or cancel or, for any cause whatever, otherwise lose a franchise for the sale of new motor vehicles, such dealer shall immediately so notify the board. In the case of a cancellation or loss of franchise, the board shall determine whether or not by reason thereof such dealer should be licensed as a used motor vehicle dealer, in which case the board shall take up and the motor vehicle dealer shall deliver to it such dealer's license, and the board shall direct the executive director to thereupon issue to such dealer a used motor vehicle dealer's license. Upon the cancellation or loss of a franchise to sell new motor vehicles and the relicensing of such dealer as a used motor vehicle dealer, such dealer may continue in the business for which a motor vehicle dealer is licensed for a time, not exceeding six months from the date of the relicensing of such dealer, to enable such dealer to dispose of the stock of new motor vehicles on hand at the time of such relicensing, but not otherwise.

(3) If a motor vehicle salesperson is discharged, leaves an employer, or changes a place of employment, the motor vehicle dealer or used motor vehicle dealer who last employed the salesperson shall confiscate and return such salesperson's license to the board. Upon being reemployed as a motor vehicle salesperson, the motor vehicle salesperson shall notify the board. Upon receiving such notification, the board shall issue a new license for the unexpired portion of such returned license after collecting a fee set pursuant to section 12-6-110 (5). It shall be unlawful for such salesperson to act as a motor vehicle salesperson until a new license is procured.

(4) Should a wholesaler, for any reason whatsoever, change such wholesaler's place of business or business address during any license year, such wholesaler shall immediately so notify the board.

(5) Any wholesale motor vehicle auction dealer who changes a place of business or business address during any license year shall notify the board immediately of such dealer's new business address.

12-6-117. Principal place of business - requirements.

(1) The building or structure required to be located on a principal place of business shall have electrical service and adequate sanitary facilities.

(2) (a) In no event shall a room in a hotel, rooming house, or apartment house building or a part of any single or multiple unit dwelling house be considered a "principal place of business" within the terms and provisions of this part 1, unless the entire ground floor of such hotel, apartment house, or rooming house building or such dwelling house is devoted principally to and occupied for commercial purposes and the office of the dealer is located on the ground floor thereof.

(b) A motor vehicle dealer who operates such motor vehicle dealer's business from his or her primary residence and who has been a resident of Colorado for the immediately preceding twelve-month period and is a motor vehicle dealer only because such dealer sells custom trailers for one or more manufacturers and maintains an inventory of fewer than four vehicles at all times shall be exempt from paragraph (a) of this subsection (2). Any motor vehicle dealer who is issued dealer plates in accordance with this paragraph (b) pursuant to section 42-3-116, C.R.S., shall only use such plates on trailers.

(4) This section shall not be construed to prohibit a motor vehicle dealer from designating a person as the successor in advance, by written instrument filed with the manufacturer. If the motor vehicle dealer files such an instrument, that instrument governs the succession rights to the management and operation of the dealer subject to the designated successor satisfying the manufacturer's qualification requirements as described in this section.

12-6-128. Payout exemption to execution.

A motor vehicle dealer's right to receive payments from a manufacturer or distributor required by section 12-6-120 (1) (l) and (1) (r) is not liable to attachment or execution and may not otherwise be seized, taken, appropriated, or applied in a legal or equitable process or by operation of law to pay the debts or liabilities of the manufacturer or distributor. This section shall not prohibit a secured creditor from exercising rights accrued pursuant to a security agreement if the right arose as a result of the manufacturer or distributor voluntarily creating a security interest before paying existing debts or liabilities of the manufacturer or distributor. This section shall not prohibit a manufacturer or distributor from withholding a portion of such payments necessary to cover an amount of money owed to the manufacturer or distributor as an offset to such payments if the manufacturer or distributor provides the motor vehicle dealer written notice thereof.

12-6-129. Site control extinguishes

If a manufacturer, distributor, or manufacturer representative has terminated, eliminated, or not renewed a franchise agreement containing a site control provision, the motor vehicle dealer may void a site control provision of a franchise agreement by returning any money the dealer has accepted in exchange for site control prorated by the time remaining before the agreement expires over the time period between the agreement being signed and the agreement expiring. This section does not apply if the termination, elimination, or nonrenewal is for just cause in accordance with section 12-6-120 (1) (d).

A motor vehicle dealer who appeals to the executive director maintains all rights under the franchise agreement until the later of the executive director issuing a decision or ninety days after the manufacturer, distributor, or manufacturer's representative provides the notice of termination unless the executive director finds that the termination, cancellation, or nonrenewal was for fraud, a misrepresentation, or committing a crime within the scope of the franchise agreement or in the operation of the dealership, in which case the franchise rights terminate immediately.

(1) (a) Any person in whose name twenty or more motor vehicles, required to be inspected, are registered in this state or to whom said number of vehicles are leased for a period of not less than six continuous months and who operates a motor vehicle repair garage or shop adequately equipped and manned, as required by section 42-4-308 and the rules and regulations issued pursuant thereto, may be licensed to perform said inspections as a fleet inspection station. Said inspections shall be made by licensed emissions inspectors or emissions mechanics. Such stations shall be subject to all licensing regulations and supervision applicable to inspection and readjustment stations. Fleet inspection stations shall inspect fleet vehicles in accordance with applicable requirements pursuant to rules and regulations promulgated by the commission. No person licensed pursuant to this section may conduct emissions inspections on motor vehicles owned by employees of such person or the general public, but only on those vehicles owned or operated by the person subject to the fleet inspection requirements. Any such motor vehicles are not eligible for a certificate of emissions waiver and shall be inspected annually. The commission shall promulgate such rules as may be necessary to establish non-loaded mode static idle inspection procedures, standards, and criteria under this section.

(b) Each fleet operator licensed or operating within the enhanced program area who is also licensed to operate a fleet inspection station shall assure that a representative sample of one-half of one percent or one vehicle, whichever is greater, of such operator's vehicle fleet is inspected annually at an inspection-only facility or enhanced inspection center. An analysis of the data gathered from any such inspection shall be performed by the department of public health and environment and provided to the department of revenue to determine compliance by such fleet with the self-inspection requirements of this section. An inspection is not required prior to the sale of a motor vehicle with at least twelve months remaining before the vehicle's certification of emissions compliance expires if such certification was issued when the vehicle was new.

(2) (a) As an alternative to subsection (1) of this section, any person having twenty or more vehicles registered in this state that are required to be inspected pursuant to section 42-4-310 may contract for periodic inspection services with a contractor or an inspection-only facility. Such inspections shall be in compliance with non-fleet vehicle requirements as specified in this part 3 and shall be performed by an authorized or licensed emissions inspector who shall be subject to all requirements and oversight as applicable.

(b) Upon retail sale of any vehicle subject to fleet inspection to a party other than a fleet operator, such vehicle shall be inspected at an authorized enhanced inspection center, licensed inspection-only facility, or licensed inspection and readjustment station, as applicable. A certificate of emissions compliance shall be required as a condition of the retail sale of any such vehicle.

(3) (a) Any person licensed as a motor vehicle dealer pursuant to article 6 of title 12, C.R.S., in whose name twenty or more motor vehicles are registered or inventoried or consigned for retail sale in this state which are required to be inspected shall comply with the requirements of section 42-4-310 for the issuance of a certificate of emissions compliance at the time of the retail sale of any such vehicle.

(b) Within the enhanced emissions program, motor vehicle dealers licensed pursuant to article 6 of title 12, C.R.S., may contract for used motor vehicle inspection services by a licensed motor vehicle dealer test facility. Pursuant to regulations of the commission, inspection procedures shall include a loaded mode transient dynamometer test cycle in combination with appropriate idle short tests pursuant to rules and regulations of the commission.

(c) 1981 and older model vehicles held in inventory and offered for retail sale by a used vehicle dealer may be inspected by a licensed inspection-only facility.

(5) (a) Motor vehicle dealers selling any vehicle to be registered in the enhanced program area shall comply with the enhanced program requirements.

(b) Motor vehicle dealers selling any vehicle to be registered in the basic program area shall comply with the basic program requirements.

(c) If used motor vehicles for sale have been inspected by a motor vehicle dealer test facility, the motor vehicle dealer shall comply with the standards and requirements established for motor vehicle dealer test facilities.

(6) (a) On and after June 1, 1996, a motor vehicle dealer or a used motor vehicle dealer licensed pursuant to article 6 of title 12, C.R.S., that sells any vehicle subject to the provisions of the enhanced emissions program may comply with the provisions of sections 42-4-304 (3) (d) and 42-4-310 by providing the consumer of the vehicle a voucher purchased by the dealer from the contractor for the centralized enhanced emissions program, with or without charge to the consumer, up to the maximum amount charged for an emissions inspection at an enhanced inspection center. Such voucher shall cover the cost of an emissions inspection of the vehicle at an enhanced inspection center and shall entitle the consumer to such an emissions inspection.

(b) If a vehicle inspected with a voucher as authorized in this paragraph (b) fails a test at an enhanced inspection center and is returned within three business days after its purchase, the dealer, at its option,

shall repair the motor vehicle to pass the emissions test, pay the consumer to obtain such repairs to pass the emissions test from a third party, or repurchase the vehicle at the vehicle's purchase price. After such payment, repair, or repurchase, a dealer shall have no further liability to the consumer for compliance with the requirements of the enhanced emissions program.

(c) The voucher to be delivered at time of sale shall set forth the conditions described in paragraph (b) of this subsection (6) on a form prescribed by the department of revenue.

(7) A motor vehicle dealer shall have a motor vehicle inspected annually pursuant to section 42-4-310, but shall not be required to have such vehicle inspected more than once a year.

(1) (a) (I) Subject to subsection (4) of this section, a motor vehicle that is required to be registered in the program area shall not be sold, registered for the first time without a certification of emissions compliance, or reregistered unless such vehicle has passed a clean screen test or has a valid certification of emissions control as required by the appropriate county. The provisions of this paragraph (a) shall not apply to motor vehicle transactions at wholesale between motor vehicle dealers licensed pursuant to article 6 of title 12, C.R.S. An inspection is not required prior to the sale of a motor vehicle with at least twelve months remaining before the vehicle's certification of emissions compliance expires if such certification was issued when the vehicle was new.

(II) (A) If title to a roadworthy motor vehicle, as defined in section 42-6-102 (15), for which a certification of emissions compliance or emissions waiver must be obtained pursuant to this paragraph (a) is being transferred to a new owner, the new owner may require at the time of sale that the prior owner provide said certification as required for the county of residence of the new owner.

(B) The new owner shall submit such certification to the department of revenue or an authorized agent thereof with application for registration of the motor vehicle.

(C) If such vehicle is being registered in the program area for the first time, the owner shall obtain any certification required for the county where registration is sought and shall submit such certification to the department of revenue or an authorized agent thereof with such owner's application for the registration of the motor vehicle. A motor vehicle being registered in the program area for the first time may be registered without an inspection or certification if the vehicle has not yet reached its fourth model year or a later model year established by the commission pursuant to section 42-4-306 (8) (b).

(D) Except for a motor vehicle that was registered as a collector's item before September 1, 2009, and meets the requirements of sections 42-12-101 (2) (b) and 42-12-404 (2), to be sold or transferred or to renew the registration, a 1976 or newer model motor vehicle registered as a collector's item under article 12 of this title must be inspected and have a certification of emissions control. The certification of emissions control is valid for sixty months.

(b) (I) (A) Effective July 1, 1987, and until May 28, 1999, those motor vehicles that are owned by the United States government or an agency thereof or by the state of Colorado or any agency or political

subdivision thereof that would be registered in the program area shall be inspected once each year, and a valid certification of emissions compliance shall be obtained.

(B) New motor vehicles owned by the United States government or an agency thereof or by the state of Colorado or any agency or political subdivision thereof that would be registered in the program area shall be issued a certification of emissions compliance without inspection that shall expire on the anniversary of the day of the issuance of such certification when such vehicle has reached its fourth model year or a later model year established by the commission pursuant to section 42-4-306 (8) (b). Prior to the expiration of such certification such vehicle shall be inspected and a certification of emissions control shall be obtained therefor.

(C) Effective May 28, 1999, 1982 and newer model motor vehicles that are owned by the United States government or an agency thereof or by the state of Colorado or any agency or political subdivision thereof that would be registered in the program area shall be inspected every two years, and shall be issued a certification of emissions compliance that shall be valid for twenty-four months; except that vehicles owned or operated by any agency or political subdivision that is authorized and licensed pursuant to section 42-4-309 to inspect fleet vehicles shall be inspected annually.

(D) Effective May 28, 1999, 1981 and older model motor vehicles that are owned by the United States government or an agency thereof or by the state of Colorado or any agency or political subdivision thereof that would be registered in the program area shall be inspected once each year, and shall be issued a certification of emissions compliance that shall be valid for twelve months.

(E) Any vehicle subject to this subparagraph (I) that is suspected of having an emissions problem may undergo a voluntary inspection as provided in subparagraph (IV) of paragraph (c) of this subsection (1).

(II) (A) Motor vehicle dealers shall purchase verification of emissions test forms for the sum of twenty-five cents per form from the department or persons authorized by the department to make such sales to be used only on new motor vehicles. No refund or credit shall be allowed for any unused verification of emissions test forms. New motor vehicles required under this section to have a verification of emissions test form shall be issued a certification of emissions compliance without inspection, which shall expire on the anniversary of the day of the issuance of such certification when such vehicle has reached its fourth model year or a later model year established by the commission pursuant to section 42-4-306 (8) (b). Prior to the expiration of such certification such vehicle shall pass a clean screen test or be inspected and a certification of emissions control shall be obtained therefor.

(B) 1982 and newer model motor vehicles required pursuant to this section to have a certification of emissions control shall be inspected at the time of the sale or transfer of any such vehicle and, prior to registration renewal, shall be issued a certification of emissions control that shall be valid for twenty-four months except as provided under section 42-4-309. An inspection is not required prior to the sale of a motor vehicle with at least twelve months remaining before the vehicle's certification of emissions compliance expires if such certification was issued when the vehicle was new. This sub-subparagraph (B) does not apply to the sale of a motor vehicle that is inoperable or otherwise cannot be tested in accordance with regulations promulgated by the department of revenue if the seller of the motor

vehicle provides a written notice to the purchaser pursuant to the requirements of subsection (4) of this section.

(C) 1981 and older model motor vehicles required pursuant to this section to have a certification of emissions control shall be inspected at the time of the sale or transfer of any such vehicle and, prior to registration renewal, shall be issued a certification of emissions control that shall be valid for twelve months. This sub-subparagraph (C) does not apply to the sale of a motor vehicle which is inoperable or otherwise cannot be tested in accordance with regulations promulgated by the department of revenue if the seller of the motor vehicle provides a written notice to the purchaser pursuant to the requirements of subsection (4) of this section.

(III) Upon registration or renewal of registration of a motor vehicle required to have a certification of emissions control, the department shall issue a tab identifying the vehicle as requiring certification of emissions control. The tab shall be displayed from the time of registration. The verification of emissions test shall also be displayed on the motor vehicle in a location prescribed by the department of revenue consistent with federal regulations.

(c) (I) Effective October 1, 1989, those motor vehicles owned by nonresidents who reside in either the basic or enhanced emissions program areas or by residents who reside outside the program area who are employed for at least ninety days in any twelve-month period in a program area or who are attending school in a program area, and are operated in either the basic or enhanced emissions program areas for at least ninety days, shall be inspected as required by this section and a valid certification of emissions compliance or emissions waiver shall be obtained as required for the county where said person is employed or attends school. Such nonresidents include, but are not limited to, all military personnel, temporarily assigned employees of business enterprises, and persons engaged in activities at the olympic training center.

(II) Any person owning or operating a business and any postsecondary educational institution located in a program area shall inform all persons employed by such business or attending classes at such institution that they are employed or attending classes in a program area and are required to comply with the provisions of subparagraph (I) of this paragraph (c).

(III) Vehicles that are registered in a program area and are being operated outside such area but within another program area shall comply with all program requirements of the area where such vehicles are being operated. Vehicles registered in a program area that are being temporarily operated outside the state at the time of registration or registration renewal may apply to the department of revenue for a temporary exemption from program requirements. Upon return to the program area, such vehicles must be in compliance with all requirements within fifteen days. A temporary exemption shall not be granted if the vehicle will be operated in an emissions testing area in another state unless proof of emissions from that area is submitted.

(IV) Nothing in this section shall be deemed to prevent or shall be interpreted so as to hinder the voluntary inspection of any motor vehicle in the enhanced emissions program. A certificate of emissions control issued under the provisions of the enhanced emissions program shall be acceptable as a

demonstration of compliance within the basic program for vehicle registration purposes. In order to provide motorist protection, those vehicles voluntarily inspected and that fail said inspection but that are warrantable under manufacturers' emissions control warranties pursuant to section 207 (A) and (B) of the federal act shall comply with the emissions-related repair requirements of this part 3.

(V) Motor vehicles operated in the enhanced emissions program area, and required to be inspected pursuant to subparagraph (I) of this paragraph (c), shall comply with the inspection requirements of the enhanced emissions program area and are not required to comply with the inspection requirements of the basic emissions program area.

(d) (I) Repealed.

(II) (A) For the basic emissions program, effective January 1, 1994, for businesses which operate nineteen or fewer motor vehicles and for 1981 or older private motor vehicles required to be registered in the basic emissions program area, after any adjustments or repairs required pursuant to section 42-4-306, if total expenditures of at least seventy-five dollars have been made to bring the vehicle into compliance with applicable emissions standards and the vehicle still does not meet such standards, a certification of emissions waiver shall be issued for such vehicle.

(B) (Deleted by amendment, L. 2011, (SB 11-031), ch. 86, p. 246, § 11, effective August 10, 2011.)

(III) Repealed.

(IV) For the basic emissions program, effective January 1, 1994, for businesses that operate nineteen or fewer vehicles and for private motor vehicles only of a model year 1982 or later required to be registered in the basic emissions program area, after any adjustments or repairs required pursuant to section 42-4-306, if total expenditures of at least two hundred dollars have been made to bring the vehicle into compliance with the applicable emissions standards and the vehicle still does not meet such standards, a certification of emissions waiver shall be issued for such vehicle. For vehicles not older than two years or that have not more than twenty-four thousand miles, or such period of time and mileage as established for warranty protection by amendments to federal regulations, no emissions-related repair waivers shall be issued due to the provisions and enforcement of section 207 (A) and (B) of the federal act relating to emissions control systems components and performance warranties. Vehicles that are owned by the state of Colorado or any agency or political subdivision thereof are not eligible for emissions-related repair waivers under this subparagraph (IV).

(V) Repealed.

(VI) For the enhanced emissions program, effective January 1, 1995, for businesses that operate nineteen or fewer vehicles and for private motor vehicles only of a model year 1968 and later required to be registered in the enhanced emissions program area, after any adjustments or repairs required pursuant to section 42-4-306, if total expenditures of at least four hundred fifty dollars have been made to bring the vehicle into compliance with applicable emissions standards and the vehicle does not meet such standards, a certification of emissions waiver shall be issued for such vehicle except as prescribed

in subparagraph (XII) of this paragraph (d) pertaining to vehicle warranty. The four-hundred-fifty-dollar minimum expenditure may be adjusted annually by an amount not to exceed the percentage, if any, by which the consumer price index for all urban consumers (CPIU) for the Denver-Boulder metropolitan statistical area for the preceding year differs from such index for 1989. Vehicles that are owned by the state of Colorado or any agency or political subdivision thereof are not eligible for emissions-related repair waivers under this subparagraph (VI).

(VII) Repealed.

(VIII) (A) For the enhanced emissions program except as provided in sub-subparagraph (B) of this subparagraph (VIII), for businesses that operate nineteen or fewer vehicles and for private motor vehicles only of a model year 1967 or earlier required to be registered in the enhanced emissions program area, after any adjustments or repairs required under section 42-4-306, if total expenditures of at least seventy-five dollars have been made to bring the vehicle into compliance with applicable emissions standards and the vehicle still does not meet the standards, a certification of emissions waiver shall be issued for the vehicle.

(B) This subparagraph (VIII) shall apply in Boulder county, effective July 1, 1995.

(IX) (A) For the enhanced emissions program except as provided in sub-subparagraph (B) of this subparagraph (IX) effective January 1, 1995, for vehicles subject to a transient, loaded mode dynamometer inspection procedure under the enhanced program as determined by the commission, a certificate of waiver may be issued by an authorized state representative, if after failing a retest, at which point the minimum repair cost limit of four hundred fifty dollars has not been met, a complete and documented physical and functional diagnosis of the vehicle performed at an emissions technical center indicates that no additional emissions-related repairs would be effective or needed.

(B) This subparagraph (IX) shall apply in Boulder county, effective July 1, 1995.

(X) Subject to the provisions of subparagraph (V) of this paragraph (d), a certificate of emissions control shall not be issued for vehicles in the program area exhibiting smoke or indications of tampering with or poor maintenance of emissions control systems including on-board diagnostic systems.

(XI) As used in this paragraph (d), "total expenditures" means those expenditures directly related to adjustment or repair of a motor vehicle to reduce exhaust or evaporative emissions to a level which complies with applicable emissions standards. The term does not include an inspection fee, or any costs of adjustment, repair, or replacement necessitated by the disconnection of, tampering with, or abuse of air pollution control equipment, improper fuel use, or visible smoke.

(XII) No certification of emissions waiver shall be issued for vehicles not older than two years or which have not more than twenty-four thousand miles, or are of such other age and mileage as established for warranty protection under the federal act in accordance with the provisions and enforcement of section 207 (A) and (B) of the federal act relating to emissions control component and systems performance warranties.

(2) (a) The emissions inspection required under this section shall include an analysis of tail pipe and evaporative emissions. After January 1, 1994, such inspection shall include an analysis of emissions control equipment including on-board diagnostic systems, chlorofluorocarbons, and visible smoke emissions for the basic emissions program area and the enhanced emissions program area and emissions testing that meets the performance standards set by federal requirements for the enhanced emissions program area by means of procedures specified by regulation of the commission to determine whether the motor vehicle qualifies for issuance of a certification of emissions compliance. For motor vehicles of the model year 1975 or later, not tested under a transient load on a dynamometer, said inspection shall also include a visual inspection of emissions control equipment pursuant to rules of the commission.

(b) and (c) Repealed.

(d) (I) In the basic emissions program area, effective January 1, 1994, in order to be issued a certificate of emissions waiver, appropriate adjustments and repairs must have been performed at a licensed inspection and readjustment station by a licensed emissions mechanic.

(II) In the enhanced emissions program area, effective January 1, 1995, in order to be issued a certificate of emissions waiver, appropriate adjustments and repairs must have been performed by a technician at a registered repair facility within the enhanced emissions program area.

(III) Adjustments and repairs performed by a registered repair facility and technician within the enhanced emissions program area shall be sufficient for compliance with the provisions of this paragraph (d) in the basic program area.

(3) (a) Effective July 1, 1993, any home rule city, city, town, or county shall, after holding a public hearing and receiving public comment and upon request by the governing body of such local government to the department of public health and environment and the department of revenue and after approval by the general assembly acting by bill pursuant to paragraph (e) of this subsection (3), be included in the program area established pursuant to sections 42-4-301 to 42-4-316. When such a request is made, said departments and governing body shall agree to a start-up date for the program in such area, and, on or after such date, all motor vehicles, as defined in section 42-4-304 (18), which are registered in the area shall be inspected and required to comply with the provisions of sections 42-4-301 to 42-4-316 and rules and regulations adopted pursuant thereto as if such area was included in the program area. Except as provided in paragraph (c) of this subsection (3), the department of public health and environment and the department of revenue, the executive director, and the commission shall perform all functions and exercise all powers related to the program in areas included in the program pursuant to this subsection (3) that they are otherwise required to perform under sections 42-4-301 to 42-4-316.

(b) Effective July 1, 1993, notwithstanding the provisions of section 42-4-304 (20), a local government with jurisdiction over an area excluded from the program area pursuant to section 42-4-304 (20) may request inclusion in the program area, and the exclusion under section 42-4-304 (20) shall not apply to vehicles registered within such area.

(c) Effective July 1, 1993, the inclusion pursuant to paragraph (a) or (b) of this subsection (3) of any home rule city, city, town, or county in the program area shall not be submitted to the United States environmental protection agency as a revision to the state implementation plan or otherwise included in such plan. Any governing body which requests inclusion of an area pursuant to paragraph (a) or (b) of this subsection (3) in the program area may, after a minimum period of five years, request termination of the program in such area, and the program in such area shall be terminated thirty days after the receipt by the department of revenue of such a request.

(d) Effective January 1, 1994, except for those entities included within the program area pursuant to section 42-4-304 (20), for inclusion in the program area, any home rule city, city, town, or county shall have the basic emissions program test requirements and standards implemented as its emissions inspection program.

(e) Unless a home rule city, city, town, or county violates national ambient air quality standards as established by the environmental protection agency, the inclusion pursuant to paragraph (a) or (b) of this subsection (3) of any home rule city, city, town, or county in the program area shall be contingent upon approval by the general assembly acting by bill to include any such home rule city, city, town, or county in the program area.

(4) (a) The seller of a motor vehicle that is inoperable or otherwise cannot be tested in accordance with rules promulgated by the department of revenue or that is being sold pursuant to part 18 or part 21 of this article is not required to obtain a certification of emissions control prior to the sale of the vehicle if the seller provides a written notice to the purchaser prior to completion of the sale that clearly indicates the following:

(I) The vehicle does not currently comply with the emissions requirements for the program area;

(II) The seller does not warrant that the vehicle will comply with emissions requirements; and

(III) The purchaser is responsible for complying with emissions requirements prior to registering the vehicle in the emissions program area.

(b) The department shall prepare a form to comply with the provisions of paragraph (a) of this subsection (4) and shall make such form available to dealers and other persons who are selling motor vehicles which are inoperable or otherwise cannot be tested in accordance with regulations promulgated by the department of revenue.

(c) If a motor vehicle is exempted from the requirement for obtaining a certification of emissions control prior to sale pursuant to this subsection (4), the new owner of the motor vehicle is required to obtain a certification of emissions control for such motor vehicle before registering it in the program area.

(5) (a) Notwithstanding any other provision of this section, any eligible motor vehicle registered in a clean screen program county that complies with the requirements of the clean screen program under the provisions of sections 42-4-305 (12), 42-4-306 (23), and 42-4-307 (10.5) (a), by passing the requirements of such program and applicable rules shall be deemed to have complied with the

inspection requirements of this section for the applicable emissions inspection cycle. For purposes of this subsection (5), "eligible motor vehicle" means a motor vehicle, including trucks, for model years 1978 and earlier having a gross vehicle weight rating of six thousand pounds or less and for model years 1979 and newer having a gross vehicle weight rating of eight thousand five hundred pounds or less.

(b) (I) If the commission does not specify a date for the county clerks and recorders in the basic emissions program area to begin collecting emissions inspection fees at the time of registration pursuant to section 42-3-304 (19) (a), or if the contractor determines that the motor vehicle required to be registered in the basic program area has complied with the inspection requirements pursuant to this subsection (5), a notice shall be sent to the owner of the vehicle identifying the owner of the vehicle, the license plate number, and other pertinent registration information, and stating that the vehicle has successfully complied with the applicable emission requirements. Such notice shall also include a notification that the registered owner of the vehicle may return the notice to the contractor with the payment as set forth on the notice to pay for the clean screen program. Upon receipt of the payment from the motor vehicle owner, the county clerk shall be notified that the motor vehicle has complied with the inspection requirements pursuant to this subsection (5).

(II) For vehicles with registration renewals coming due on or after the dates specified by the commission for county clerks and recorders to collect emissions inspection fees at the time of registration, if the contractor determines that a motor vehicle required to be registered in the program area has complied with the inspection requirements pursuant to this subsection (5), the contractor shall send a notice to the department of revenue identifying the owner of the vehicle, the license plate number, and any other pertinent registration information, stating that the vehicle has successfully complied with the applicable emission requirements.

(c) The department shall, by contract with a private vendor or by rule, establish a procedure for a vehicle owner to obtain the necessary emissions-related documents for the registration and operation of a vehicle that has complied with the inspection requirements pursuant to this subsection (5).

42-4-406. Requirement of certification of emissions control for registration - testing for diesel smoke opacity compliance

(1) (a) A diesel vehicle in the program area that is registered or required to be registered pursuant to article 3 of this title, routinely operates in the program area, or is principally operated from a terminal, maintenance facility, branch, or division located within the program area shall not be sold, registered for the first time, or reregistered unless such vehicle has been issued a certification of emissions control within:

(I) The past twelve months if the motor vehicle is a heavy-duty diesel vehicle that is over ten model years old;

(II) The last twenty-four months if the motor vehicle is a heavy-duty diesel vehicle that is ten model years old or newer;

(III) The last twelve months if the motor vehicle is a light-duty diesel vehicle that is at least ten model years old or that is model year 2003 or older; or

(IV) The last twenty-four months if the motor vehicle is a light-duty diesel vehicle that is ten model years old or newer and that is model year 2004 or newer.

(b) (I) A certification of emissions control shall be issued to any diesel vehicle that has been inspected and tested pursuant to subsection (2) of this section for diesel smoke opacity compliance and was found at such time to be within the smoke opacity limits established by the commission.

(II) Notwithstanding the provisions of subparagraph (I) of this paragraph (b), new diesel vehicles, required under this section to have a certification of emissions control, shall be issued a certification of emissions compliance without inspection or testing. Prior to the expiration of such certification, such vehicle shall be inspected and a certification of emissions control shall be obtained for diesel smoke opacity compliance. Such certificate shall expire on the earliest to occur of the following:

(A) The anniversary of the day of the issuance of such certification when such vehicle has reached its fourth model year if it is a light-duty diesel vehicle;

(B) The anniversary of the day of the issuance of such certification when such vehicle has reached its fourth model year if it is a heavy-duty diesel vehicle; or

(C) On the date of the transfer of ownership if such date is within twelve months before such certification would expire pursuant to sub-subparagraph (A) or (B) of this subparagraph (II), unless such transfer of ownership is a transfer from the lessor to the lessee.

(2) (a) On or after January 1, 1990, all heavy duty diesel vehicles in the program area not subject to the provisions of section 42-4-414, with fleets of nine or more, shall be required to be tested for diesel smoke opacity compliance at a licensed diesel inspection station by submitting to loaded mode opacity testing utilizing dynamometers or on-road tests as prescribed by the commission.

(b) Light-duty diesel vehicles in the program area shall be required to be tested for diesel smoke opacity compliance at a licensed diesel inspection station by submitting to loaded mode opacity testing utilizing dynamometers.

42-4-414. Heavy-duty diesel fleet inspection and maintenance program - penalty - rules

(1) The commission shall develop and implement, effective January 1, 1987, a fleet inspection and maintenance program for diesel-powered motor vehicles of more than fourteen thousand pounds gross vehicle weight rating. Regional transportation district buses, state, county, and municipal vehicles, and private diesel fleets shall participate in the program through self-certification inspection procedures as developed by the commission.

(2) (a) The commission shall promulgate rules that:

(I) Require owners of diesel-powered motor vehicles, registered in the program area, routinely operated in the program area, or principally operated from a terminal, maintenance facility, branch, or division located within the program area, and subject to the provisions of this section, to bring the vehicles into compliance with existing opacity standards set forth in section 42-4-412;

(II) Are strictly construed;

(III) Except as provided in paragraph (b.5) of this subsection (2), do not require more than normal and reasonable maintenance practices; and

(IV) Do not require additional fees or loaded mode testing equipment.

(b) Fleet owners shall test opacity standards on a periodic basis. Fleet owners shall use an opacity meter to test vehicles that are greater than ten model years old, but may use an automated opacity metering protocol to test vehicles that are less than or equal to ten model years old.

(b.5) As an alternative to automated or visual opacity testing, the commission may promulgate rules that establish an alternative method for operators of heavy-duty diesel vehicles to demonstrate compliance with opacity standards by following and submitting proof of exemplary maintenance practices. Any commission rules promulgated under this paragraph (b.5) must contain eligibility requirements for enrollment of heavy-duty diesel vehicles in the alternative method, including when vehicles or fleets should be discontinued from enrollment.

(c) The commission shall exempt a new diesel vehicle enrolled in the fleet inspection and maintenance program from testing until the vehicle has reached its fourth model year or, if ownership of the vehicle is transferred after the vehicle has reached its third model year but before expiration of the exemption period, until the date of the transfer of ownership.

(d) The commission shall promulgate rules providing for the testing of diesel vehicles every:

(I) Twelve months unless subparagraph (II) of this paragraph (d) applies; or

(II) Twenty-four months if the vehicle is equal to or less than ten model years old.

(2.5) An owner of a fleet registered in the program area may certify to the executive director or the executive director's designee, in a form and manner required by the executive director, that a diesel vehicle registered in the program area is physically based and principally operated from a terminal, division, or maintenance facility outside the program area. Any diesel vehicle registered in the program area, but certified to be physically based and principally operated from a terminal, division, or maintenance facility outside the program area, is exempt from this section. The commission shall promulgate rules to administer this subsection (2.5).

(3) (a) and (b) (Deleted by amendment, L. 2003, p. 1023, § 1, effective August 6, 2003.)

(c) On or after January 1, 1990, in addition to any other penalty set forth in this subsection (3), any owner who is subject to the provisions of this section and who commits an excessive violation of this

section twice in a twelve-month period shall be subject to the provisions of this part 4. For purposes of this paragraph (c), "excessive violation" shall be that definition recommended by the governor's blue ribbon diesel task force in 1988 and thereafter adopted by the air quality control commission, or, if such task force does not make a recommendation, "excessive violation" shall be that definition adopted by the air quality control commission.

(4) As used in this section, "fleet" means nine or more diesel-powered motor vehicles.

(1) It is unlawful for any person to advertise for sale, to sell, to use, or to install or to have installed any device which causes an odometer to register any mileage other than the true mileage driven. For purposes of this section, the true mileage driven is that mileage driven by the vehicle as registered by the odometer within the manufacturer's designed tolerance.

When the odometer is incapable of registering the same mileage as before such service, repair, or replacement, the odometer shall be adjusted to read zero, and a notice in writing shall be attached to the left door frame of the vehicle by the owner or the owner's agent specifying the mileage prior to repair or replacement of the odometer and the date on which it was repaired or replaced. Any removal or alteration of such notice so affixed is unlawful.

(5) It is unlawful for any transferor to fail to comply with 49 U.S.C. sec. 32705 and any rule concerning odometer disclosure requirements or to knowingly give a false statement to a transferee in making any disclosure required by such law.

(1) Except as provided in section 42-6-113, a person shall not sell or otherwise transfer a motor or off-highway vehicle to a purchaser or transferee without delivering to the purchaser or transferee a certificate of title to the vehicle duly transferred in the manner prescribed in section 42-6-110. Except as provided in subsection (2) of this section, the certificate of title may be in an electronic format. Except as provided in section 42-6-115, a purchaser or transferee does not acquire any right, title, or interest in and to a motor or off-highway vehicle purchased by the purchaser or transferee unless and until he or she obtains from the transferor the certificate of title duly transferred in accordance with this part 1. A lienholder may request either a paper or electronic version of a certificate of title.

(2) Except as provided in section 42-6-115, a paper copy of a certificate of title is necessary for a transaction in which:

(1) Upon the sale or transfer of a motor or off-highway vehicle for which a certificate of title has been issued or filed, the person in whose name the certificate of title is registered, if the person is not a dealer, shall execute a formal transfer of the vehicle described in the certificate. The person in whose name the certificate of title is registered or the person's agent or attorney shall affirm the sale or transfer, accompanied by a written declaration that the statement is made under the penalties of perjury in the second degree, as defined in section 18-8-503, C.R.S. (1.5) (a) If an insurer, as defined in section 10-1-102 (13), C.R.S., or a salvage pool authorized by an insurer is unable to obtain the properly endorsed certificate of ownership or other evidence of ownership acceptable to the department within thirty days following oral or written acceptance by the owner of an offer of settlement of a total loss, that insurer or salvage pool may request, on a form

provided by the department and signed under penalty of perjury, the department to issue a salvage or nonrepairable title for the vehicle. The request must include information declaring that the insurer or salvage pool has made at least two written attempts to obtain the certificate of ownership or other acceptable evidence of title and must include the fee for a duplicate title. The form requesting a salvage or nonrepairable title is the only evidence required to obtain a salvage or nonrepairable title.

(b) Upon receiving the fee for a duplicate title and the certificate of ownership, other evidence of title, or a properly executed request described in paragraph (a) of this subsection (1.5), the department shall issue the salvage or nonrepairable title for the vehicle.

(1) Upon the sale or transfer to a dealer of a motor or off-highway vehicle for which a Colorado certificate of title has been issued, the dealer shall transfer and file the certificate of title to the motor or off-highway vehicle; except that, so long as the vehicle remains in the dealer's possession and at the dealer's place of business for sale and for no other purpose, the dealer need not procure or file a new certificate of title as is otherwise required in this part 1.

(2) If a motor or off-highway vehicle dealer wishes to obtain a new certificate of title, the dealer may present the old certificate of title to the director with the fee imposed by section 42-6-137 (6), whereupon the director shall issue a new certificate of title to the dealer within one working day after application. This subsection (2) does not apply to a motor or off-highway vehicle subject to a lien.

(3) (a) A wholesale motor vehicle auction dealer who does not buy, sell, or own the motor vehicles transferred at auction shall disclose the identity of the wholesale motor vehicle auction dealer, the date of the auction, and the license number of the auction on a form and in a manner prescribed by the executive director. A wholesale motor vehicle auction dealer does not become an owner by reason of such disclosure nor as a result solely of the guarantee of title, guarantee of payment, or reservation of a security interest.

(b) A wholesale motor vehicle auction dealer may buy or sell motor vehicles at wholesale in such dealer's own name and, in such instances, shall comply with the provisions of this part 1 applicable to dealers, including licensing.

42-6-112. Initial registration of a motor vehicle - dealer responsibility to timely forward certificate of title to purchaser or holder of a chattel mortgage.

A dealer of motor or off-highway vehicles shall, within thirty days after the sale, deliver or facilitate the delivery of the certificate of title to a purchaser or the holder of a chattel mortgage on the motor or off-highway vehicle subject to section 42-6-109.

42-6-113. New vehicles - bill of sale - certificate of title.

(1) Upon the sale or transfer by a dealer of a new motor or off-highway vehicle, the dealer shall, upon delivery, make, execute, and deliver to the purchaser or transferee a sufficient bill of sale and the manufacturer's certificate of origin.

(2) The bill of sale must:

(a) Be affirmed by a statement signed by the dealer, containing or accompanied by a written declaration that it is made under the penalties of perjury in the second degree, as defined in section 18-8-503, C.R.S.;

(b) Be in such form as the director may require; and

(c) Contain, in addition to other information that the director may by rule require, the make and model of the motor or off-highway vehicle, the identification number placed upon the vehicle by the manufacturer for identification purposes, the manufacturer's suggested retail price, and the date of the sale or transfer, together with a description of any mortgage or lien on the vehicle that secures any part of the purchase price.

(3) Upon presentation of the bill of sale and the manufacturer's certificate of origin, the director or an authorized agent shall file a new certificate of title for the vehicle described in the bill of sale. A dealer shall transfer a new motor or off-highway vehicle used by a dealer for demonstration in accordance with this section.

42-6-119. Certificates for vehicles registered in other states.

(1) When a resident of the state acquires the ownership of a motor or off-highway vehicle for which a certificate of title has been issued by a state other than Colorado, the person acquiring the vehicle shall apply to the director or an authorized agent for the filing of a certificate of title as in other cases.

(2) If a dealer acquires the ownership of a motor or off-highway vehicle by lawful means and the vehicle is titled under the laws of a state other than Colorado, the dealer need not file a Colorado certificate of title for the vehicle so long as the vehicle remains in the dealer's possession and at the dealer's place of business solely for the purpose of sale.

(3) Upon the sale by a dealer of a motor or off-highway vehicle, the certificate of title to which was issued in a state other than Colorado, the dealer shall, within thirty days after the sale, deliver or facilitate the delivery to the purchaser the certificate of title, duly and properly endorsed or assigned to the purchaser, with a statement by the dealer containing or accompanied by a written declaration that it is made under the penalties of perjury in the second degree, as defined in section 18-8-503, C.R.S., and setting forth the following:

(a) That the dealer, by the execution of the affidavit, warrants to the purchaser and all persons who claim through the named purchaser that, at the time of the sale, transfer, and delivery by the dealer, the

vehicle described was free and clear of all liens and mortgages except as might appear in the certificate of title;

(b) That the vehicle is not a stolen vehicle; and

(c) That the dealer had good, sure, and adequate title to, and full authority to sell and transfer, the vehicle.

(4) If the purchaser of the vehicle completes and includes the vehicle identification number inspection form as part of the application for filing of a Colorado certificate of title to the vehicle and accompanies the application with the affidavit required by subsection (3) of this section and the duly endorsed or assigned certificate of title from a state other than Colorado, a Colorado certificate of title may be filed in the same manner as upon the sale or transfer of a motor or off-highway vehicle for which a Colorado certificate of title has been issued or filed. Upon the filing by the director or the authorized agent of the certificate of title, the director or the authorized agent may dispose of the certificate of title and shall record the certificate of title as provided in section 42-6-124.

42-3-116. Manufacturers or dealers.

Such plate shall bear a distinctive number; the name of this state, which may be abbreviated; the year issued; and a distinguishing word or symbol indicating that such plate was issued to a manufacturer, drive-away or tow-away transporter, or dealer. Such plates may, during the registration period for which they were issued, be transferred from one such vehicle to another when owned and operated by or with the authority of such manufacturer or representative of such manufacturer or operated by such drive-away or tow-away transporter or dealer.

(2) No manufacturer of or dealer in motor vehicles, trailers, or semitrailers shall cause or permit a vehicle owned by such person to be operated or moved upon a public highway without displaying upon such vehicle a number plate, except as otherwise authorized in this article.

(3) A manufacturer of motor vehicles, trailers, or semitrailers may operate or move upon the highways any such vehicle from the factory where manufactured to a railway depot, vessel, or place of shipment or delivery, without registering the same and without an attached number plate, under a written permit first obtained from the police authorities with jurisdiction over such highways and upon displaying upon each such vehicle a placard bearing the name and address of the manufacturer authorizing or directing such movement, plainly readable from one hundred feet away during daylight.

(4) (a) Any dealer in motor vehicles, trailers, or semitrailers may operate, move, or transport a vehicle owned by such dealer on the streets and highways of this state without registering such vehicle and without an attached numbered plate if there is displayed on such vehicle a depot tag issued by the

department. Such tag may be purchased from the department for a fee of five dollars. Such tags shall only be used for moving authorized vehicles for purposes of testing, repairs, or transporting them from the point of delivery to the dealer's place of business and for similar legitimate business purposes; but nothing in this section shall be construed to allow the use of such tag for private purposes.

(b) The executive director of the department shall promulgate rules for the use of depot tags and dealer plates, and a violation of such rules shall subject the violator to a suspension or revocation of the violator's depot tag and dealer plates after a hearing pursuant to article 4 of title 24, C.R.S.

(5) A manufacturer or dealer, upon transferring a motor vehicle, trailer, or semitrailer, whether by sale, lease, or otherwise, to any person other than a manufacturer or dealer shall immediately give written notice of such transfer to the department upon the form provided by the department. Such notice shall contain the date of such transfer, the names and addresses of the transferor and transferee, and such description of the vehicle as may be required by the department.

(C) Obtains a license to operate a new or used motor vehicle dealership or wholesale business with an inventory of fifty or more motor vehicles.

(II) Full-use dealer plates may be used in lieu of, in the same manner as, and to the same extent as number plates issued pursuant to section 42-3-201.

(b) (I) The department shall issue full-use dealer plates upon payment of the fee specified in subparagraph (II) of this paragraph (b) and upon application of a motor vehicle dealer or wholesaler accompanied by satisfactory evidence that the applicant is entitled to the plate in accordance with the criteria established in subparagraph (I) of paragraph (a) of this subsection (6).

(II) The annual fee for full-use dealer plates shall be established and adjusted annually by the department based on the average of specific ownership taxes and registration fees paid for passenger vehicles and light duty trucks that are seven model years old or newer and that were registered during the one-year period preceding January 1 of each year. Such annual fee shall be prorated on a monthly basis. The annual fee for full-use dealer plates for motorcycles shall be established and adjusted annually by the department based on the average of specific ownership taxes and registration fees paid for motorcycles that are seven model years old or newer and that were registered during the one-year period preceding January 1 of each year. Such annual fee for motorcycles shall be prorated on a monthly basis.

(III) Full-use dealer plates shall be valid for a period not to exceed one year.

(c) Full-use dealer plates may be used only for vehicles owned and offered for sale by the dealer or wholesaler. Full-use dealer plates shall not be used on vehicles owned by dealerships or wholesalers that are commonly used by that dealer as tow trucks or vehicles commonly used by that dealer to pick up or deliver parts. At the dealer's or wholesaler's discretion, the full-use plate may be transferred from one motor vehicle to another motor vehicle. The dealer or wholesaler shall not be required to report any such transfer to the department.

(d) A motor vehicle dealer or wholesaler may assign a full-use dealer plate only to the following persons:

(I) Owners or co-owners of the licensed dealership or wholesale motor vehicle business;

(II) An employee of the motor vehicle dealer or wholesaler;

(III) To any person, including former, current, and prospective customers, in order to serve the legitimate business interest of the motor vehicle dealership or motor vehicle wholesale business; and

(II) The department shall establish and adjust the annual fee for a demonstration plate based on the average of specific ownership taxes and registration fees paid for items of special mobile machinery that are seven model years old or newer during the previous year.

(III) A demonstration plate shall be valid for one year.

(IV) The owner of a demonstration plate shall return the plate to the department within ten days after the sale or closure of the business that sells special mobile machinery in the ordinary course of business.

With respect to all other vehicles, the weight used in computing annual registration fees shall be the empty weight, determined by weighing such vehicle on a certified scale or in the case of registration fees imposed pursuant to section 42-3-306 (5), the declared gross vehicle weight of the vehicle declared by the owner at the time of registration.

(3) No fee shall be payable for the annual registration of a vehicle when:

(2) A reposessor who violates subsection (1) of this section is guilty of a class 2 misdemeanor and, upon conviction, shall be punished as provided in section 18-1.3-501, C.R.S.

(3) If a motor or off-highway vehicle being repossessed is subject to the "Uniform Commercial Code - Secured Transactions", article 9 of title 4, C.R.S., the repossession is governed by section 4-9-629, C.R.S.

(4) As used in this section, the term "reposessor" means the party who physically takes possession of the motor or off-highway vehicle and drives, tows, or transports the vehicle for delivery to the mortgagee, lienholder, or assignee or the agent of the mortgagee, lienholder, or assignee.

4-9-629. Secured party's liability when taking possession after default - legislative declaration - fund

(a) The general assembly recognizes that, in the past, certain debtors may have been disadvantaged by the actions of repossessors and that such debtors were then unable to obtain just redress for their losses in the courts, especially in cases in which the creditor who initiated the action by employing or contracting with the reposessor was shielded from liability because the reposessor was categorized by the courts as an independent contractor. The general assembly wishes to ensure that the reposessor is bonded or that the secured party or assignee is held responsible at law as a principal under the general

principles of agency law for the actions of a reposessor who is acting at the behest of the creditor in the event that no bond has been posted.

(b) A secured party or such party's assignee who wishes to contract with a person to recover or take possession of collateral upon default, including a motor vehicle repossessed pursuant to section 42-6-146, C.R.S., shall contract to recover or take possession of collateral only with a person who is bonded for property damage to or conversion of such collateral in the amount of at least fifty thousand dollars. Such bond shall be filed with and drawn in favor of the attorney general of the state of Colorado for use of the people of the state of Colorado, and shall be revocable only with the written consent of the attorney general pursuant to rules promulgated by the office of the attorney general. The office of the attorney general may charge a fee to be paid by the person filing such bond in order to cover the direct and indirect costs incurred by such office in fulfilling its duties under the provisions of this section.

(c) A secured party or secured party's assignee who employs or contracts with a person who has not complied with the requirements specified in subsection (b) of this section shall be liable as principal for the actions of any person the secured party or assignee employs or contracts with to recover or take possession of the collateral after default as provided in section 4-9-609 in the same manner as if such person were the agent of the secured party or assignee, whether or not such person has been or may be deemed to be acting as an independent contractor in law.

(d) A reposessor shall not engage in repossessing, recovering, or removing collateral or personal property on behalf of a secured creditor or assignee without first disclosing to such secured creditor or assignee whether such reposessor is bonded pursuant to this article. Any person who fails to disclose or misrepresents to a secured party such person's bonded status or fails to file such bond with the attorney general shall be in violation of the "Colorado Consumer Protection Act", article 1 of title 6, C.R.S., and shall be subject to remedies or penalties or both pursuant to said article.

(e) Any person who knowingly falsifies a reposessor bond application or misrepresents information contained therein commits a class 1 misdemeanor and shall be punished as provided in section 18-1.3-501, C.R.S.

(f) All moneys collected by the attorney general pursuant to this section shall be transmitted to the state treasurer, who shall credit the same to the general fund.

(g) Notwithstanding any provision by contract or common law, in exercising its rights after default, a secured party or lessor taking possession of a motor vehicle may not disable or render unusable any computer program or other similar device embedded in the motor vehicle if immediate injury to any person or property is a reasonably foreseeable consequence of such action. Any secured party or lessor who disables or renders unusable such a computer program or other similar device in such circumstances shall be liable in accordance with applicable rules of law to any person who sustains an injury to person or property as a reasonably foreseeable result of the secured party's or lessor's action.

5-5-110. Notice of right to cure.

(1) With respect to a consumer credit transaction, after a consumer has been in default for ten days for failure to make a required payment and has not voluntarily surrendered possession of goods or the mobile home that are collateral, a creditor may give the consumer the notice described in this section. A creditor gives notice to the consumer pursuant to this section when the creditor delivers the notice to the consumer or mails the notice to the consumer at the consumer's residence, as defined in section 5-1-201 (6).

(2) Except as provided in subsection (3) of this section, the notice shall be in writing and conspicuously state: The name, address, and telephone number of the creditor to which payment is to be made, a brief identification of the credit transaction, the right to cure the default, and the amount of payment and date by which payment must be made to cure the default. A notice in substantially the following form complies with this subsection (2):

(Name, address, and telephone number of creditor)

(Account number, if any)

(Brief identification of credit transaction)

_____ (Date) is the LAST DATE FOR PAYMENT.

_____ (Amount) is the AMOUNT NOW DUE.

You are late in making your payment(s). If you pay the AMOUNT NOW DUE (above) by the LAST DAY FOR PAYMENT (above), you may continue with the contract as though you were not late. If you do not pay by this date, we may exercise our rights under the law.

If you are late again in making your payments, we may exercise our rights without sending you another notice like this one. If you have questions, write or telephone the creditor promptly.

(3) If the consumer credit transaction is a consumer insurance premium loan, the notice shall conform to the requirements of subsection (2) of this section, and a notice in substantially the form specified in subsection (2) of this section shall be deemed compliance with this subsection (3) except for the following:

(a) In lieu of a brief identification of the credit transaction, the notice shall identify the transaction as a consumer insurance premium loan and shall identify each policy or contract that may be canceled;

(b) In lieu of the statement in the form of notice specified in subsection (2) of this section that the creditor may exercise its rights under law, a statement shall be included that each policy or contract identified in the notice may be canceled; and

(c) The last paragraph of the form of notice specified in subsection (2) of this section shall be omitted.

(4) A notice of right to cure delivered or mailed to a cosigner pursuant to this section shall be modified to state that the consumer is late in making his or her payment, include the consumer's name, and that

if the amount now due is not paid by the last date for payment, the creditor may exercise its rights against the consumer, cosigner, or both.

5-5-111. Cure of default.

(1) With respect to a consumer credit transaction, except as provided in subsection (2) of this section, after a default consisting only of the consumer's failure to make a required payment, a creditor, because of that default, may neither accelerate maturity of the unpaid balance of the obligation nor take possession of or otherwise enforce a security interest in the goods or the mobile home that are collateral until twenty days after giving the consumer a notice of right to cure described in section 5-5-110. Until the expiration of the minimum applicable period after the notice is given, all defaults consisting of a failure to make the required payment may be cured by tendering to the creditor the amount of all unpaid sums due at the time of the tender, without acceleration, plus any unpaid delinquency or deferral charges. Cure restores the consumer to his or her rights under the agreement as though the defaults had not occurred.

(2) With respect to defaults on the same obligation, other than defaults on an obligation secured by a mobile home, after a creditor has once given the consumer a notice of right to cure described in section 5-5-110, this section gives no right to cure and imposes no limitation on the creditor's right to proceed against the consumer or goods that are collateral with respect to any subsequent default that occurs within twelve months of such notice. With respect to defaults on the same obligation that is secured by a mobile home, this section gives no right to cure and imposes no limitation on the creditor's right to proceed against the consumer or goods that are collateral with respect to any third default that occurs within twelve months of such notice. For the purpose of this section, in connection with revolving credit accounts, the obligation is the consumer's account, and there is no right to cure and no limitation on the creditor's rights with respect to any default that occurs within twelve months after an earlier default as to which a creditor has given the consumer notice of right to cure.

(3) Unless a creditor has provided the cosigner on a consumer credit transaction with a notice of right to cure that complies with section 5-5-110 and this section, in addition to the notice of right to cure provided to the consumer, the creditor may neither accelerate maturity of the unpaid balance of the obligation as to the cosigner nor report that amount on the cosigner's consumer report with a consumer reporting agency as defined in section 12-14.3-102, C.R.S., and 15 U.S.C. sec. 1681a.

(4) This section and the provisions on waiver, agreements to forego rights, and settlement of claims do not prohibit a consumer from voluntarily surrendering possession of goods that are collateral and the creditor from thereafter enforcing its security interest in the goods at any time after default.

(5) This section shall not apply to consumer credit transactions that are payable in four or fewer installments.

42-10-101. Definitions.

(1) "Consumer" means the purchaser, other than for purposes of resale, of a motor vehicle normally used for personal, family, or household purposes, any person to whom such motor vehicle is transferred for the same purposes during the duration of a manufacturer's express warranty for such motor vehicle, and any other person entitled by the terms of such warranty to enforce the obligations of the warranty.

(2) "Motor vehicle" means a self-propelled private passenger vehicle, including pickup trucks and vans, designed primarily for travel on the public highways and used to carry not more than ten persons, which is sold to a consumer in this state; except that the term does not include motor homes as defined in section 42-1-102 (57) or vehicles designed to travel on three or fewer wheels in contact with the ground.

(3) "Warranty" means the written warranty, so labeled, of the manufacturer of a new motor vehicle, including any terms or conditions precedent to the enforcement of obligations under that warranty.

42-10-102. Repairs to conform vehicle to warranty.

If a motor vehicle does not conform to a warranty and the consumer reports the nonconformity to the manufacturer, its agent, or its authorized dealer during the term of such warranty or during a period of one year following the date of the original delivery of the motor vehicle to a consumer, whichever is the earlier date, the manufacturer, its agent, or its authorized dealer shall make such repairs as are necessary to conform the vehicle to such warranty, notwithstanding the fact that such repairs are made after the expiration of such term or such one-year period.

42-10-103. Failure to conform vehicle to warranty - replacement or return of vehicle.

(1) If the manufacturer, its agent, or its authorized dealer is unable to conform the motor vehicle to the warranty by repairing or correcting the defect or condition which substantially impairs the use and market value of such motor vehicle after a reasonable number of attempts, the manufacturer shall, at its option, replace the motor vehicle with a comparable motor vehicle or accept return of the motor vehicle from the consumer and refund to the consumer the full purchase price, including the sales tax, license fees, and registration fees and any similar governmental charges, less a reasonable allowance for the consumer's use of the motor vehicle. Refunds shall be made to the consumer and lienholder, if any, as their interests may appear. A reasonable allowance for use shall be that amount directly attributable to use by the consumer and any previous consumer prior to the consumer's first written report of the nonconformity to the manufacturer, agent, or dealer and during any subsequent period when the vehicle is not out of service by reason of repair.

(2) (a) It shall be presumed that a reasonable number of attempts have been undertaken to conform a motor vehicle to the warranty if:

(I) The same nonconformity has been subject to repair four or more times by the manufacturer, its agent, or its authorized dealer within the warranty term or during a period of one year following the date of the original delivery of the motor vehicle to the consumer, whichever is the earlier date, but such nonconformity continues to exist; or

(II) The motor vehicle is out of service by reason of repair for a cumulative total of thirty or more business days of the repairer during the term specified in subparagraph (I) of this paragraph (a) or during the period specified in said subparagraph (I), whichever is the earlier date.

(b) For the purposes of this subsection (2), the term of a warranty, the one-year period, and the thirty-day period shall be extended by any period of time during which repair services are not available to the consumer because of war, invasion, strike, or fire, flood, or other natural disaster.

(c) In no event shall a presumption under paragraph (a) of this subsection (2) apply against a manufacturer unless the manufacturer has received prior written notification by certified mail from or on behalf of the consumer and has been provided an opportunity to cure the defect alleged. Such defect shall count as one nonconformity subject to repair under subparagraph (I) of paragraph (a) of this subsection (2).

(d) Every authorized motor vehicle dealer shall include a form, containing the manufacturer's name and business address, with each motor vehicle owner's manual on which the consumer may give written notification of any defect, as such notification is required by paragraph (c) of this subsection (2), and the form shall clearly and conspicuously disclose that written notification by certified mail of the nonconformity is required, in order for the consumer to obtain remedies under this article.

(3) The court shall award reasonable attorney fees to the prevailing side in any action brought to enforce the provisions of this article.

42-10-104. Affirmative defenses.

(1) It shall be an affirmative defense to any claim under this article that:

(a) An alleged nonconformity does not substantially impair the use and market value of a motor vehicle;
or

(b) A nonconformity is the result of abuse, neglect, or unauthorized modifications or alterations of the motor vehicle by a consumer.

42-10-105. Limitations on other rights and remedies.

Nothing in this article shall in any way limit the rights or remedies which are otherwise available to a consumer under any other state law or any federal law. Nothing in this article shall affect the other rights and duties between the consumer and a seller, lessor, or lienholder of a motor vehicle or the rights between any of them. Nothing in this article shall be construed as imposing a liability on any authorized dealer with respect to a manufacturer or creating a cause of action by a manufacturer against its authorized dealer; except that failure by an authorized dealer to properly prepare a motor vehicle for sale, to properly install options on a motor vehicle, or to properly make repairs on a motor vehicle, when such preparation, installation, or repairs would have prevented or cured a nonconformity, shall be actionable by the manufacturer.

42-10-106. Applicability of federal procedures.

If a manufacturer has established or participates in an informal dispute settlement procedure which substantially complies with the provisions of part 703 of title 16 of the code of federal regulations, as from time to time amended, the provisions of section 42-10-103 (1) concerning refunds or replacement shall not apply to any consumer who has not first resorted to such procedure.

42-10-107. Statute of limitations.

Any action brought to enforce the provisions of this article shall be commenced within six months following the expiration date of any warranty term or within one year following the date of the original delivery of a motor vehicle to a consumer, whichever is the earlier date; except that the statute of limitations shall be tolled during the period the consumer has submitted to arbitration under section 42-10-106.
