

Behind-The-Wheel (BTW) Training Requirements

You are required, by law, to complete Behind-The Wheel training before you can be issued your driver's license if you are under the age of 16 years, 6 months at the time you apply for your driver's license. The BTW training can be administered two ways: you can take 6 hours with a driving instructor from a [department-approved school](#) or, if there isn't a driving school that offers BTW training at least 20 hours per week with an address that is within 30 miles of the permit holder's residence, you may complete 12 hours with a parent, guardian or alternate permit supervisor.
