FINDINGS AND STATEMENT OF REASONS FOR ADOPTION OF TEMPORARY/EMERGENCY RULES (Effective November 18, 2015)

The Colorado State Procurement Rules (“Rules”) are found at 1 CCR 101-9. On July 1, 2015 the Department of Personnel & Administration held a rulemaking hearing regarding the Colorado State Procurement Rules. The rules that were promulgated as result of that hearing became effective August 31, 2015. On November 18, 2015 the Executive Director of the Department of Personnel & Administration exercised her authority to promulgate temporary/emergency rules updating/modifying the results of previous rulemaking. The purpose of the Executive Director in adopting these temporary/emergency rules is to modify the results of the July 1, 2015 rulemaking in order to be in compliance with section 24-105-301, C.R.S.

The Executive Director promulgates/modifies the following rules:

R-24-105-301 to include statutorily required clauses for general condition contracts.

The Colorado State Procurement office is charged with promoting a fair and open marketplace allowing any business, regardless of size or ownership, opportunity to compete to satisfy the State’s need for goods and services. The basis of these rules is to establish procedures governing the procurement of certain goods or services for consumption or use by Colorado State government and related agencies allowed under law. The Executive Director finds, as required by section 24-4-103(6)(a), C.R.S. that immediate adoption of the rules is imperatively necessary to comply with state law and that non-compliance with the requirements of section 24-4-103, C.R.S. would be contrary to the public interest.

The specific authority of the Executive Director to promulgate these rules under her authority is found at section 24-105-301, C.R.S.

The temporary/emergency rules will be effective November 18, 2015, and will remain in effect for no more than 120 days.

Dated this 18th day of November, 2015
