Provider revalidation
& enrollment begins

NOVEMBER 2016

The Colorado
interChange
goes live!

All providers serving Medicaid or CHP+ members must revalidate & enroll into the Colorado interChange by March 31, 2016 including:

- Ordering, Prescribing, & Referring professionals (OPRs)
- Providers who traditionally serve Medicaid members through a Managed Care Organization (MCO) or Behavioral Health Organization (BHO)

To make this process easier, The Department of Health Care Policy & Financing is launching a new online provider enrollment tool (OPE). This will allow providers to simultaneously undergo revalidation by enrolling in the Colorado interChange claims processing system.
