

Seed Packet Donation Request Form

Donation Program Guidelines

Botanical Interests is committed to providing the highest quality seed for organizations that inspire and educate gardeners. We donate seeds to **school gardens, community gardens, food banks, prisons,** and other qualifying **non-profit organizations** in the United States that promote the joy of seed gardening.

- Each donation request is reviewed for qualification.
- Each organization is limited to one donation per calendar year.
- Availability varies. For best selection, submit requests between the months of August & March.
- Donated seed packets are *not* to be repackaged or sold.
- We do not offer donations for the purpose of fundraising or auctioning*.
- We do not offer donations to seed libraries or seed banks.
- A Valid Tax ID number [EIN] is required.

Botanical Interests reserves the right to decline requests.

Two box sizes are available, depending on your organization's needs. Small boxes hold around 100-150 packets; large boxes around 200-250 packets. **A box of donation seed contains approximately 50% vegetable, 25% herb, and 25% flower. Quantity may vary due to differences in packet thickness. Due to varying availability, we are unable to accept requests for specific varieties.**

Please note that donated seed may be from a previous season. Germination rates may vary, so consider sowing at twice the normal rate to ensure desired germination rate. Seed is best stored cool and dry until sowing.

Seed packets are donated free of charge. However, to cover shipping costs and processing of donations, there is a charge of \$25.00 for each small box and \$35.00 for each large box. If you are able to pick up the donation directly from our warehouse this fee will be waived. We accept Visa, MasterCard, check, or money order. **Please allow 2 to 4 weeks for processing requests.**

*For information on fundraising with seeds, visit www.botanicalinterests.com, or contact us.

We are here to help your organization grow!
