BULLETIN 20-22

REFERENCE: Guidance on Executive Order D 2020-213

DATE: October 9, 2020

On Tuesday, October 6, Governor Jared Polis issued Executive Order D 2020-213, which aligns takeout sales of alcohol beverages with on-premises “last call” provisions that are in place due to the continuing COVID-19 pandemic. The Colorado Department of Public Health and Environment (CDPHE) may issue public health orders setting takeout and last call times to any time before 2:00 a.m., based on each county’s COVID-19 status under the “Safer at Home” orders. Amended Public Health Order PHO 20-35 aligns takeout privileges with last call times. Thus, the current framework is as follows:

If your county is in safer at home **level 1** status: sales for on-premises consumption and takeout of alcohol beverages must cease between 12:00 a.m. and 7:00 a.m. daily;

If your county is in safer at home **level 2** status: sales for on-premises consumption and takeout of alcohol beverages must cease between 11:00 p.m. and 7:00 a.m. daily;

If your county is in safer at home **level 3** status: sales for on-premises consumption and takeout of alcohol beverages must cease between 10:00 p.m. and 7:00 a.m. daily.

For more information regarding what COVID-19 status any particular locality is in, please visit: https://covid19.colorado.gov/data/covid-19-dial/covid-19-dial-dashboard and/or contact your local licensing authority.

Below are a few points of clarification:

- Sales Rooms (wine, beer, and spirits) are included in the order;
- Delivery sales may continue until 2:00 a.m. for licensees who have such abilities, regardless of level status, or whether or not on-premises sales are allowed during any particular time frame;
- Takeout alcohol beverage sales must cease when sale for consumption on the licensed premises is scheduled to end.
