 Bus Schedule & Fares

Bustang Information

Introducing Colorado's newest interregional bus line, Bustang. It connects Colorado with a single, easy-to-navigate service. Saddle up, and get there stress-free.

www.RideBustang.com

 Bustang buses are wheelchair accessible.

Service animals are allowed on Bustang buses. Part 37.3 of US Code Title 49 Subpart G defines a service animal as "any guide dog, signal dog, or other animal individually trained to work or perform tasks for an individual with a disability, including, but not limited to, guiding individuals with impaired vision, alerting individuals with impaired hearing to intruders or sounds, providing minimal protection or rescue work, pulling a wheelchair, or fetching dropped items."

The operator can remove or exclude the animal if a direct threat to the health or safety of others, if not housebroken, or if out of control and individual/handler does not take effective action. Control = have harness, leash, or other tether. Be under voice control, signal or other means when handler is unable because of a disability to use tether, or the tether's use would interfere with the animal's safe, effective performance.

Emotional Support Animals are NOT service animals, but are allowed on Bustang buses on a limited basis (see website FAQ). Pets not allowed.
