**T** Transparency — Utilize processes, procedures, and forms that are understandable and easy to use.
The State Measurement for Accountable, Responsive, and Transparent Government (SMART) Act formalizes a performance management system in Colorado by providing broad parameters for the key elements of performance management: planning, management, data collection, reporting, and evaluation. The SMART Act provides the framework for a customer-focused approach to the delivery of government goods and services through a variety of requirements, including this Performance Management Plan.

This performance plan summarizes the near-term strategic and operational priorities for the department, connecting organizational objectives to a system for achieving these priorities. This plan contains an overview of the department, down to the level of individual processes by which we deliver goods and services to our customers, the residents of Colorado. This plan is a living document that CDOR uses to set objectives to be achieved and to measure progress throughout the year.

Our Process

This plan was created through a series of interactive stakeholder sessions with all members of the Executive Management Team, program managers and division staff to incorporate all aspects of the work of the Department and its four divisions.

This year’s plan has a new look with enhanced goals, clearer Wildly Important Goals and a refined focus on our customers. We hope this plan becomes a valuable document for all employees as a strategic roadmap to fulfilling the Governor’s vision and ultimately our core mission. Please note, all input and output data, as well as “actual” numbers are through 3rd quarter of FY2018-2019.

Department Overview

The Colorado Department of Revenue (CDOR) oversees the Division of Motor Vehicles, the Enforcement Division, the Colorado Lottery and the Taxation Division. These services touch almost every Colorado resident throughout the year.

Executive Director’s Office
The Executive Director’s Office (EDO) is committed to empower businesses and individuals through quality customer service, innovation and collaboration. The EDO strives for efficient and effective service for the people of Colorado and consists of Administrative, Budget and Finance, Communications, Hearings, Legislative Liaison and Internal Audit.

Division of Motor Vehicles
The Division of Motor Vehicles (DMV) provides identification, driver and vehicle services used by nearly every resident of the state. Additionally, the DMV licenses and provides oversight of private businesses and government organizations that provide driver and emission testing services. The 64 county Clerk and Recorders serve as the department’s authorized agents for motor vehicle titling and registration. Finally, the division works closely with other state agencies and programs to provide information and education to serve the public and encourage voluntary compliance.

Customers:
Residents of Colorado,
Law Enforcement,
Colorado Counties, State and Federal Agencies

Division of Lottery
The Colorado Lottery Division creates and sells lottery games of chance that are held to the highest standards of public confidence, integrity, entertainment, and efficiency in order to maximize revenue for the beneficiaries and the people of Colorado. Since its inception in 1983, the Lottery has contributed more than $3 billion to the state, funding outdoor projects through its proceeds beneficiaries including Great Outdoors Colorado (GOCO), the Conservation Trust Fund (CTF), Colorado Parks and Wildlife (CPW), and the Public School Capital Construction - Building Excellent Schools Today (BEST) Program. These proceeds have helped fund and support parks, playgrounds, river corridors, trail restoration, open space conservation, wildlife habitats, and more. The Lottery is an industry leader built on strong relationships with players, retailers and proceeds beneficiaries. The Lottery encourages Coloradans to Expect the Unexpected through superior products, innovative and efficient processes, and a commitment to excellent customer service to accomplish the mission of improving the quality of life in Colorado and enhancing Colorado’s great outdoors.

Customers:
Residents of Colorado, Lottery Players, Retailers and Proceeds Recipients.

Wildly Important Goals

In connection with the Governor’s Office of State Planning and Budgeting (OSPB), the Department of Revenue has identified major department-wide goals, or “Wildly Important Goals” (WIGs), that drive our organization towards our mission and vision, as well as the high-impact strategies we must employ to achieve our priorities and goals. This focus on performance allows us to determine what is working and what needs improvement, and we believe that planning, monitoring and reviewing data about our service delivery and work objectives yields more effective, efficient and elegant government service to the people of Colorado.

WIG 1 - Culture of Empowerment
Empower employees to always help individuals and businesses in Colorado, serving as a bridge, not a barrier, guiding and advising our stakeholders through the complexities of government.

WIG 2 - Fiscal Stewardship
Implement effective and efficient business processes with a balanced emphasis on fiscal responsibility.
Empower employees to always help individuals and businesses in Colorado, serving as a bridge, not a barrier, guiding and advising our stakeholders through the complexities of government.

**EXECUTIVE DIRECTOR GOAL 1A**

Establish a Department of Revenue Net Promoter Score Baseline and implement a plan to increase that baseline by 25% by June 30, 2020.*

**Key Strategies:**

- Develop feedback tool to assess the performance and overall customer experience at CDOR offices.
- Add Net Promoter Score question to current customer surveys.

*This is a new goal for the Department of Revenue.

The Enforcement Division will implement online licensing across all divisions, with a target to have 50% of all licensing activities online by the end of FY20.*

Key Strategies:
- Expand upon online services today to allow easier access to selected licensing activities

*This is a new goal for the Department of Revenue.

Inputs for FY19:
- 140 license types across the 4 divisions in the Enforcement Business Group
- 8.9% of licenses available for submission online

Outputs for FY19:
- Total 12 forms online
