## Operational Notes

- The calculation of household income will mimic the following Children’s with Disabilities Buy-In (CBwD) policies:
  - Modified Adjusted Gross Income (C.C.R. 8.100.4.E)
  - Income Requirements (C.C.R. 8.100.5.F) & Exemptions (8.100.5.F.6)
  - Resources will not be counted
- This proposed fee scale will begin at 275% to minimize transition between CBwD and CHCBS. CBwD goes up to 300%.
- Tiers 4-6 are proposed to be a monthly fee that is the respective percentage of the household’s monthly income.
- The transition from the flat fee to percentage-based fees would be at \$145,000 annual income for a family of four.
- There will be no upper cap on the household income.
