THE NEW
**MEDICAL
MARIJUANA
REGISTRY**
SYSTEM

CONVENIENT CONFIDENTIAL CURRENT

WITH
THE NEW
PATIENT-
DRIVEN
WEB-BASED
APPLICATION
YOU'LL BE ABLE TO
ELECTRONICALLY:

- Apply for a card online, reducing wait time and data entry errors.
- Sign and submit forms online.
- Submit payment with a credit card.
- Update your own personal data, including mailing address and other contact information.
- Print your own card, or use your mobile device similar to a boarding pass. The card will contain secure, verifiable features, including a barcode that can be used by centers and law enforcement to verify active patient status.
- Learn to use the system with online tutorials beginning Fall/Winter of 2016.

CONVENIENT

Access your electronic record and print your own secure, verifiable card at anytime using a smartphone, computer or tablet. The online platform results in quicker processing of applications and other documents.

CONFIDENTIAL

Feel secure using a system that complies with all confidentiality requirements. All data is encrypted, and password-protected access ensures system users' information is safe-guarded.

CURRENT

Monitor the real-time status of your application including physician certification, caregiver acknowledgment, change requests and registry card status. Active patients can print a secure, verifiable card from home.

**AS A PATIENT
YOU ARE IN CONTROL
OF YOUR OWN
PRIVATE ACCOUNT.**
