Welcome to Child Health Plan Plus (CHP+) for Children!

CHP+ is public low-cost health insurance for children and pregnant women. CHP+ covers doctor visits, emergency care, preventive care such as screenings and immunizations, and other procedures and treatments. CHP+ can help you and your family get healthy and stay healthy.

Now that you’re qualified, there are a few important steps you need to take.

1. **Pay your child’s annual enrollment fee.** Some CHP+ members may have to pay an annual enrollment fee. This fee is due within 30 days after you qualify for CHP+. If the enrollment fee is not paid within the 30 days then your child will be denied CHP+ benefits and you will need to re-apply. You will get a letter in the mail 7-10 days after you qualify for CHP+ telling you how much your child’s annual enrollment fee is. Find out more about CHP+ costs at CO.gov/HCPF/CHPPlus.

2. **Pick your child’s health plan.** Your child’s health plan is a group of doctors, clinics, hospitals, pharmacies, and other providers who work together to help meet your child’s health care needs. Your child’s health plan options are based on where you live. This brochure tells you about the CHP+ health plan.

3. **Pick your provider.** After you pick your child’s health plan, you will need to pick their provider. Call your health plan to pick your child’s provider.

4. **Schedule a check-up.** Schedule a well-child visit for your child. Even if you or your child is not sick, it is important to get to know your provider.

If you are pregnant you may qualify for CHP+. Go to CO.gov/HCPF/CHPPlus, or call 1-888-367-6557 for more information.
