- CFC Committee obligation would be met through the CLAG committee; there is an existing CFC committee effort that should potentially be rolled in.
- Create and fund a system of LTSS that supports individuals of all ages with all types of insurance would incorporate DHS and Department of Regulatory Agencies (DORA), Division of Insurance (which would pull in private providers).
- Department of Local Affairs (DOLA), Division of Housing is coordinating on issues of housing development and vouchers. For the planning effort around pursuing a policy of employment first regardless of age or disability.
- HCA, State SLS, FSSP are all under consideration for redesign.
