RE: July Financial Statements

Attached are the July 2015 financial statements. A new format was implemented last month. In order to give a better picture of the financial condition of the District and also to clearly delineate how the funds are segregated, the financial statements are now presented on a budgetary basis. The value of this presentation is that the Board will be able to get a clearer picture of the cash position of the District. The former financial statements were presented on a full accrual basis which detailed all the assets and liabilities of the District in one fund. The full accrual presentation is the accurate presentation for the financial statements, however, it doesn't help the Board to see the true cash position of the District nor does it allow for a clear understanding of how the funds are segregated for different purposes. With the budgetary basis presentation, the Board will be able to clearly decipher how much money is set aside for debt service and capital projects funds as well as determine the true position of the operations of the District. At year-end the auditors will provide full accrual financial statements to the Board that are similar to the statements you have been viewing up to this point.

In July, the District made the first monthly transfer of debt service funds to UMB. As noted on the Debt Service Fund, the District did not receive enough cash to cover the required amount to transfer UMB; the District was \$851.31 shy of collecting the full amount to transfer for the monthly transfer of \$26,965.78 (please see the negative cash balance in the FirstBank Lockbox account on the Debt Service Fund). The lack of funding is most likely due to the timing of collecting funds from customers as a review of the AR aging indicates that 10 customer payments were received after July 31, 2015 and an additional 24 customers are slow payers or are delinquent. The Debt Service funds were transferred from FirstBank to UMB and are being held in the UMB Interest account.

Please feel free to give me a call if you have any questions.

Respectfully submitted,
