Home and Community Based Services (HCBS)

Spinal Cord Injury (SCI)

General Information

Medicaid is a health care program for low income Coloradans. Applicants must meet eligibility criteria for one of the Medicaid Program categories in order to qualify for benefits. Major program categories include:

- Aid to Families with Dependent Children/Medicaid Only
- Aid to the Needy Disabled
- Baby Care/Kids Care
- Colorado Works/TANF (Temporary Assistance for Needy Families)
- Aid to the Blind
- Old Age Pension

Waiver programs provide additional Medicaid benefits to specific populations who meet special eligibility criteria.

Level of care determinations are made annually by the case management agencies (aka Single Entry Points). Members must meet financial, medical, and program criteria to access services under a waiver. The applicant must be at risk of placement in a nursing facility, hospital, or ICF/IID (Intermediate Care Facility for Individuals with an Intellectual Disability). To utilize waiver benefits, members must be willing to receive services in their homes or communities. A member who receives services through a waiver is also eligible for all basic Medicaid covered services except nursing facility and long-term hospital care. When a member chooses to receive services under a waiver, the services must be provided by certified Medicaid providers or by a Medicaid contracting managed care organization (MCO).

Each waiver has an enrollment limit. Applicants may apply for more than one waiver, but may only receive services through one waiver at a time.

Prior Authorization Requests (PARs)

Unless otherwise noted, all HCBS services require prior approval before they can be reimbursed by the Colorado Medical Assistance Program. Case management agencies/single entry points complete the Prior Approval and/or Cost Containment requests for their specific programs according to instructions published in the regulations for the Department of Health Care Policy and Financing (the Department).

The telephone numbers are listed in Appendix A of the Appendices in the Provider Services [Billing Manuals](#) section.

For the Home and Community Based Services Spinal Cord Injury (HCBS-SCI) waiver, the following services must be submitted by the case management agency (CMA)/single entry point (SEP) to the Department for approval:

- All services above cost containment

Providers may contact the CMA/SEP for the status of the PAR or inquire electronically through the Colorado Medical Assistance Program Web Portal.

The CMAs/SEPs responsibilities include, but not limited to:

- Informing members and/or legal guardian of the eligibility process.
- Submitting a copy of the approved Enrollment Form to the County department of human/social services for a Colorado Medical Assistance Program member identification number.
- Developing the appropriate Prior Approval and/or Cost Containment Record Form of services and projected costs for approval.
- Submitting a copy of the Prior Authorization and/or Cost Containment document to the HCPF authorizing agent. A list of authorizing agents can be found by referring to Appendix D of the Appendices in the Provider Services [Billing Manuals](#) section.
- Assessing the member's health and social needs.
- Arranging for face-to-face contact with the member within 30 calendar days of receipt of the referral.
- Monitoring and evaluating services.
- Reassessing each member.
- Demonstrating continued cost effectiveness whenever services increase or decrease.

Approval of prior authorization does not guarantee Colorado Medical Assistance Program payment and does not serve as a timely filing waiver. Prior authorization only assures that the approved service is a medical necessity and is considered a benefit of the Colorado Medical Assistance Program. All claims, including those for prior authorized services, must meet eligibility and claim submission requirements (e.g., timely filing, provider information completed appropriately, required attachments included, etc.) before payment can be made.

Prior approvals must be completed thoroughly and accurately. If an error is noted on an approved request, it should be brought to the attention of the member's case manager for corrections. Procedure codes, quantities, etc., may be changed or entered by the member's case manager.

The authorizing agent or case management agency/single entry point is responsible for timely submission and distribution of copies of approvals to agencies and providers contracted to provide services.

PAR Submission

The HCBS-SCI forms are electronically fillable and are located on the [Forms](#) web page → Prior Authorization Request (PAR) Forms → HCBS PAR Forms - BI, CMHS, EBD, SCI, CHCBS, CLLI, and CWA of the Department’s website. Mail all New, Continued Stay Review (CSR), and Revised PARs to the Department’s fiscal agent, Xerox State Healthcare at:

Xerox State Healthcare
PARs
P.O. Box 30
Denver, CO 80201-0030

Note: If submitted to the Department’s fiscal agent, the following correspondence will not be returned to case managers, outreach will not be performed to fulfill the requests, and all such requests will be recycled: 1) Paper PAR forms that do not clearly identify the case management agency in the event the form(s) need to be returned and/or 2) PAR revision requests not submitted on Department approved PAR forms, including typed letters with revision instructions. Should questions arise about what fiscal agent staff can process, please contact the appropriate Department Waiver manager.

Consumer Directed Attendant Support Services (CDASS)

For members authorized to receive CDASS, case managers will need to enter the data into one of the web based systems in addition to sending a PAR to the Department's fiscal agent. Members have the option to receive Financial Management Services (FMS) from one (1) of three (3) FMS vendors:

- ACES\$
- Morning Star
- Public Partnerships, LLC (PPL)

Financial Management Services (FMS) Agencies

Financial Management Service agencies offer CDASS members the choice of two (2) FMS models: Fiscal/Employer Agent (F/EA) and Agency with Choice (AwC). The F/EA and AwC models reflect different Per Member, Per Month (PM/PM) payments to the FMS agency, which are noted by varying modifiers next to the **T2040** administrative procedure code/service line. The F/EA model section requires no additional modifier. The AwC model does not require a 'CG' modifier on the **T2040** service line. This modifier should populate once the AwC model is selected on the PAR in the FMS web based system.

Claim Submission

Paper Claims

Electronic claims format shall be required unless hard copy claims submittals are specifically authorized by the Department. Requests may be sent to the Department's fiscal agent, Xerox State Healthcare, P.O. Box 90, Denver, CO 80201-0090. The following claims can be submitted on paper and processed for payment:

- Claims from providers who consistently submit 5 claims or fewer per month (requires approval)
- Claims that, by policy, require attachments
- Reconsideration claims

For more detailed CMS 1500 billing instructions, please refer to the CMS 1500 General Billing Information manual in the Provider Services [Billing Manuals](#) section.

Electronic Claims

Instructions for completing and submitting electronic claims are available through the 837 Professional (837P) Web Portal User guide via the Web Portal and also on the [Department's Colorado Medical Assistance Program Web Portal page](#).

Electronically mandated claims submitted on paper are processed, denied, and marked with the message "Electronic Filing Required."

The Special Program Indicator (SPI) must be completed on claims submitted electronically. Claims submitted electronically and on paper are identified by using the specific national modifiers along with the procedure code. The appropriate procedure codes and modifiers for each HCBS waiver are noted throughout this manual. When the services are approved, the claim may be submitted to the Department's fiscal agent. For more detailed billing instructions, please refer to the CMS 1500 General Billing Information in the Provider Services [Billing Manuals](#) section.

Procedure/HCPCS Codes Overview

The Department develops procedure codes that are approved by the Centers for Medicare & Medicaid Services (CMS). The codes are used to submit claims for services provided to Colorado Medical Assistance Program members. The procedure codes represent services that may be provided by enrolled certified Colorado Medical Assistance Program providers.

The Healthcare Common Procedural Coding System (HCPCS) is divided into two principal subsystems, referred to as level I and level II of the HCPCS. Level I of the HCPCS is comprised of CPT (Current Procedural Terminology), a numeric coding system maintained by the American Medical Association (AMA). The CPT is a uniform coding system consisting of descriptive terms and identifying codes that are used primarily to identify medical services and procedures furnished by physicians and other health care professionals. Level II of the HCPCS is a standardized coding system that is used primarily to identify products, supplies, and services not included in the CPT codes. These include ambulance services and durable medical equipment, prosthetics, orthotics, and supplies (DME/Supplies) when used outside a physician's office. Level II codes are also referred to as alpha-numeric codes because they consist of a single alphabetical letter followed by 4 numeric digits. CPT codes are identified using 5 numeric digits.

Persons with a Spinal Cord Injury (HCBS-SCI)

The Home and Community Based Services Spinal Cord Injury (HCBS-SCI) waiver program provides a variety of services to qualified members with spinal cord injury as an alternative to inpatient hospital or nursing facility placement. Members meeting program eligibility requirements are determined functionally eligible for HCBS-SCI waiver by the case manager.

- 8 Delay in Eligibility Determination
