Home and Community Based Services (HCBS)
Brain Injury (BI), Community Mental Health Supports (CMHS), and Elderly, Blind, and Disabled (EBD)

General Information

Waiver programs provide additional Health First Colorado (Colorado's Medicaid Program) benefits to specific populations who meet special eligibility criteria.

Level of care determinations are made annually by the case management agencies (aka Single Entry Points). Members must meet financial, medical, and program criteria to access services under a waiver. The applicant must be at risk of placement in a nursing facility, hospital. To utilize waiver benefits, members must be willing to receive services in their homes or communities. A member who receives services through a waiver is also eligible for all basic Health First Colorado covered services except nursing facility and long-term hospital care. When a member chooses to receive services under a waiver, the services must be provided by certified Health First Colorado providers.

Each waiver has an enrollment limit. Applicants may apply for more than one waiver, but may only receive services through one waiver at a time.

Prior Authorization Requests (PARs)

Unless otherwise noted, all HCBS services require prior approval before they can be reimbursed by the Health First Colorado. Case management agencies/single entry points complete the Prior Approval and/or Cost Containment requests for their specific programs according to instructions published in the regulations for the Department of Health Care Policy and Financing (the Department).

The telephone numbers are listed in Appendix A of the Appendices in the Provider Services Billing Manuals section.

The following services have additional state approval processes beyond the PAR:

- Services above the daily cost containment limit
- Home modifications
- Mental health counseling (beyond 30 visits);
- Substance Abuse Counseling (beyond 30 visits)

Assistive Technology (beyond medication reminders).Providers may contact the CMA/SEP for the status of the PAR or inquire electronically through the Health First Colorado Online Portal.

The CMAs/SEPs responsibilities include, but not limited to:

- Informing members and/or legal guardian of the eligibility process.
- Submitting a copy of the approved Enrollment Form to the County department of human/social services for a Health First Colorado member identification number.

- Developing the appropriate Prior Approval and/or Cost Containment Record Form of services and projected costs for approval.
- Submitting a copy of the Prior Authorization and/or Cost Containment document to the authorizing agent. A list of authorizing agents can be found by referring to Appendix D of the Appendices in the Provider Services [Billing Manuals] section.
- Assessing the member's health and social needs.
- Arranging for face-to-face contact with the member within 10 calendar days of receipt of the referral.
- Monitoring and evaluating services.
- Reassessing each member.
- Demonstrating continued cost effectiveness whenever services increase or decrease.

Approval of prior authorization does not guarantee Health First Colorado payment and does not serve as a timely filing waiver. Prior authorization only assures that the approved service is a medical necessity and is considered a benefit of the Health First Colorado. All claims, including those for prior authorized services, must meet eligibility and claim submission requirements (e.g., timely filing, provider information completed appropriately, required attachments included, etc.) before payment can be made.

Prior approvals must be completed thoroughly and accurately. If an error is noted on an approved request, it should be brought to the attention of the member's case manager for corrections. Procedure codes, quantities, etc., may be changed or entered by the member's case manager.

The authorizing agent or case management agency/single entry point is responsible for timely submission and distribution of copies of approvals to agencies and providers contracted to provide services.

PAR Submission

The HCBS-BI, CMHS, EBD, and SCI forms are electronically filed via the "Bridge" which directly interfaces with the Colorado interChange System. Access to the Bridge is accomplished via the Medicaid Enterprise User Provisioning System (MEUPS) which can be found at https://home.co-meups.xco.dcs-usps.com/home/.

Note: If submitted to the Department's fiscal agent, the following correspondence will not be returned to case managers, outreach will not be performed to fulfill the requests, and all such requests will be recycled: 1) Paper PAR forms that do not clearly identify the case management agency in the event the form(s) need to be returned and/or 2) PAR revision requests not submitted on Department approved PAR forms, including typed letters with revision instructions. Should questions arise about what fiscal agent staff can process, please contact the appropriate Department Waiver manager.

Consumer Directed Attendant Support Services (CDASS)

For members authorized to receive CDASS, case managers will need to enter the data into one of the web-based systems in addition to sending a PAR to the Department's fiscal agent. Members have the option to receive Financial Management Services (FMS) from one (1) of three (3) FMS vendors:

- ACES$
- Morning Sun

- Public Partnerships, LLC (PPL)

Claim Submission

National Provider Identifier (NPI)

The Health Insurance Portability and Accountability Act (HIPAA) requires that covered entities (i.e., health plans, health care clearinghouses, and those health care providers who transmit any health information electronically in connection with a transaction for which the Secretary of Health and Human Services has adopted a standard) use NPIs in standard transactions. Certain Provider Types are not able to obtain an NPI. Those providers will be assigned a Health First Colorado provider number.

Paper Claims

Electronic claims format shall be required unless hard copy claims submittals are specifically prior authorized by the Department. Requests may be sent to DXC Technology (DXC), P.O. Box 30, Denver, CO 80201-0030. The following claims can be submitted on paper and processed for payment:

- Claims from providers who consistently submit five (5) claims or fewer per month (requires prior approval)
- Claims that, by policy, require attachments.
  - Note: Attachments can be submitted electronically
- Reconsideration claims

Paper claims require an NPI for those provider types that can obtain one. Providers that cannot obtain an NPI are required to use an assigned Health First Colorado provider number on their claims. Electronically mandated claims submitted on paper are processed, denied, and marked with the message "Electronic Filing Required".

Electronic Claims

Instructions for completing and submitting electronic claims are available through the following:

- X12N Technical Report 3 (TR3) for the 837P, 837I, or 837D (wpc-edi.com/)
- Companion Guides for the 837P, 837I, or 837D in the EDI support section of the Department's website (edi-support)
- Online Portal User Guide (via within the Online Portal)

The Health First Colorado collects electronic claim information interactively through the Health First Colorado Secure Online Portal (Online Portal) or via batch submission through a host system. Please refer to the Colorado General Provider Information Manual for additional electronic information.

Interactive Claim Submission and Processing

Interactive claim submission through the Online Portal is a real-time exchange of information between the provider and the Health First Colorado. Health First Colorado providers may create and transmit HIPAA compliant 837P (Professional), 837I (Institutional), and 837D (Dental) claims electronically one at a time. These claims are transmitted through the Health First Colorado Online Portal (OP).

The Online Portal contains training, user guides and help that describe claim completion requirements, edits that verify the format and validity of the entered information, and edits that assure that required fields are completed.

The Health First Colorado OP reviews the claim information for compliance with Health First Colorado billing policy and passes the claim to the Colorado interChange system for adjudication and reporting on the Health First Colorado Provider Remittance Advice (RA).

The OP immediately returns a response to the provider about that single transaction indicating whether the claim will be rejected, suspended or paid.

- If the claim is rejected, the OP sends a rejection response that identifies the rejection reason. The rejected claim can immediately be resubmitted.
- If the claim is suspended then it needs additional manual review by the Fiscal Agent.
- If the claim is accepted, the provider receives a message indicating that the claim is will be paid.

The Online Portal provides immediate feedback directly to the submitter. All claims are processed to provide a weekly Health Care Claim Payment/Advice (Accredited Standards Committee [ASC] X12N 835) transaction and/or Remittance Advice to providers. The Online Portal also provides access to reports and transactions generated from claims submitted via paper and through electronic data submission methods other than the Online Portal. The reports and transactions include:

- Accept/Reject Report
- Remittance Advice
- Health Care Claim Payment/Advice (ASC X12N 835)
- Managed Care Reports such as Primary Care Physician Rosters
- Eligibility Inquiry (interactive and batch)
- Claim Status Inquiry

Claims may be adjusted, edited and resubmitted, and voided in real time through the Online Portal. Access the Online Portal through Secured Site at colorado.gov/hcpf. For help with claim submission via the Online Portal, please choose the *User Guide* option available for each Online Portal transaction.

For additional electronic billing information, please refer to the appropriate Companion Guide located in the Provider Services Specifications section of the Department's website.

Procedure/HCPCS Codes Overview

The Department develops procedure codes that are approved by the Centers for Medicare & Medicaid Services (CMS). The codes are used to submit claims for services provided to Health First Colorado members. The procedure codes represent services that may be provided by enrolled certified Health First Colorado providers.

The Healthcare Common Procedural Coding System (HCPCS) is divided into two principal subsystems, referred to as level I and level II of the HCPCS. Level I of the HCPCS is comprised of CPT (Current Procedural Terminology), a numeric coding system maintained by the American Medical Association (AMA). The CPT is a uniform coding system consisting of descriptive terms and identifying codes that are used primarily to identify medical services and procedures furnished by physicians and other health care professionals. Level II of the HCPCS is a standardized coding system that is used primarily to identify products, supplies, and services not included in the CPT codes. These include ambulance services and durable medical equipment, prosthetics, orthotics, and supplies (DME/Supplies) when used outside a physician's office. Level II codes are also referred to as alpha-numeric codes because they consist of a single alphabetical letter followed by 4 numeric digits. CPT codes are identified using 5 numeric digits.

Persons with a Brain Injury (HCBS-BI)

The Home and Community Based Services Brain Injury (HCBS-BI) waiver program provides a variety of services to qualified members with brain injury as an alternative to inpatient hospital and nursing facility placement. Members meeting program eligibility requirements are certified as medically eligible for HCBS-BI by the case manager.

HCBS-BI Procedure Code Table

Providers may bill the following procedure codes for HCBS-BI services:

24E	**Diagnosis Pointer**	Required	Enter the diagnosis code reference letter (A-L) that relates the date of service and the procedures performed to the primary diagnosis. At least one diagnosis code reference letter must be entered. When multiple services are performed, the primary reference letter for each service should be listed first, other applicable services should follow. This field allows for the entry of 4 characters in the unshaded area.
24F	**$ Charges**	Required	Enter the usual and customary charge for the service represented by the procedure code on the detail line. Do not use commas when

CMS Field #	Field Label	Field is?	Instructions
			reporting dollar amounts. Enter 00 in the cents area if the amount is a whole number. Some CPT procedure codes are grouped with other related CPT procedure codes. When more than one procedure from the same group is billed, special multiple pricing rules apply. The base procedure is the procedure with the highest allowable amount. The base code is used to determine the allowable amounts for additional CPT surgical procedures when more than one procedure from the same grouping is performed. Submitted charges cannot be more than charges made to non-Health First Colorado covered individuals for the same service. Do not deduct Health First Colorado co-payment or commercial insurance payments from the usual and customary charges.
24G	**Days or Units**	Required	Enter the number of services provided for each procedure code. Enter whole numbers only- do not enter fractions or decimals.
24G	**Days or Units**	General Instructions	A unit represents the number of times the described procedure or service was rendered. Except as instructed in this manual or in Health First Colorado bulletins, the billed unit must correspond to procedure code descriptions. The following examples show the relationship between the procedure description and the entry of units. **Home & Community Based Services** Combine units of services for a single procedure code for the billed time period on one detail line. Dates of service do not have to be reported separately. Example: If forty units of personal care services were provided on various days throughout the month of January, bill the personal care procedure code with a From Date of 01/03/XX and a To Date of 01/31/XX and 40 units.

Community Mental Health Supports (CMHS), and Persons who are Elderly, Blind, and Disabled (EBD)

The HCBS-CMHS and EBD waiver programs provide a variety of services to the Elderly, Blind and Disabled (EBD), and Community Mental Health Supports (HCBS-CMHS), formally known as Persons with Major Mental Illness (MI), as an alternative to nursing facility, and inpatient hospitals to qualified members. Members meeting program eligibility requirements are certified by the case management agency/single entry point as medically eligible for these HCBS waiver programs. These three waivers offer all of the following services:

- Alternative Care Facility - Alternative Care Services means, but is not limited to, a package of personal care and homemaker services provided in a state-certified alternative care facility including: assistance with bathing, skin, hair, nail and mouth care, shaving, dressing, feeding, ambulation, transfers, and positioning, bladder & bowel care, medication reminding, accompanying, routine housecleaning, meal preparation, bed making, laundry and shopping. Reimbursement shall be per unit, with one unit equaling one day of care.
- Adult Day Services– Services furnished between three (3) – five (5) or more hours per day on a regularly scheduled basis, for one or more days per week. Services provided in an outpatient setting, encompassing both health and social services needed to assure the optimal functioning of the individual. Meals provided as part of these services shall not constitute a "full nutritional regimen" (3 meals per day). Physical, occupational and speech therapies indicated in the individual's plan of care would be furnished as component parts of this service if such services are not being provided in the participant's home.
- Electronic Monitoring/Personal Emergency Response Systems – An electronic device, which enables certain individuals at high risk of institutionalization to secure help in an emergency. The individual may also wear a portable "help" button to allow for mobility. The system is connected to the person's phone and programmed to signal a response center once a "help" button is activated. Monitoring of the device is included in the PERS service. The response center is staffed by trained professionals.
- Homemaker – Services consisting of general household activities (meal preparation and routine household care) provided by a trained homemaker. Provided when the individual regularly responsible for these activities is temporarily absent or unable to manage the home and care for him or herself or others in the home.
- Home Modification are specific modifications, adaptations or improvements in an eligible member's existing home setting which, based on the member's medical condition are necessary to ensure the health, welfare and safety of the member, enable the member to function with greater independence in the home, are required because of the member's illness, impairment or disability, as documented on the ULTC-100.2 form and the care plan and prevents institutionalization of the member. There shall be a lifetime cap of $14,000.00 per member.
- Personal Care – Assistance with eating, bathing, dressing, personal hygiene, activities of daily living. These services may include assistance with preparation of meals, but does not include the cost of the meals themselves. When specified in the service plan, this service may also include such housekeeping chores as bed making, dusting and vacuuming. Services are incidental to the care furnished, or are essential to the health and welfare of the individual, rather than the individual's family. Payment will not be made for services furnished to a minor by the child's parent (or step parent), or to an individual by the person's spouse.
- Relative Personal Care – Personal Care providers may be members of the individual's family. The number of Health First Colorado personal care units for provided by any single member of the

member's family shall not exceed the equivalent of 444 personal care units per annual certification. Payment will not be made for services furnished to an individual by an individual's spouse employed by a Personal Care agency.

- Respite care means services provided to an eligible member on a short-term basis because of the absence or need for relief of those persons normally providing the care. The unit of reimbursement shall be a unit of one day for care provided in a Nursing Facility or Alternative Care Facility. Individual respite providers shall bill according to an hourly rate or daily institutional Nursing Facility rate, whichever is less.
- Non-Medical Transportation – Service offered in order to enable individuals served on the waiver to gain access to waiver and other community services, activities and resources, specified by the service plan. This service is offered in addition to medical transportation required under 42 CFR 431.53 and transportation services under the State Plan, defined at 42 CFR 440.170 (a) (if applicable), and shall not replace them.
  Non-Medical Transportation will be limited to two (2) round-trips per week. Trips to and from adult day programs are not subject to this cap.
- Consumer Directed Attendant Support Services (CDASS) – CDASS is a service delivery option that offers HCBS-EBD, HCBS-CMHS, and HCBS-BI members the opportunity to direct personal care, homemaker and health maintenance tasks. Members may also designate an authorized representative to direct these activities on their behalf.
- Medication Reminders – Medication reminders are devices, controls, or appliances which enable an individual at high risk of institutionalization to increase their abilities to perform activities of daily living, such as medication administration. Medication reminders shall include devices or items that remind or signal the member to take prescribed medications. Medication reminders may include other devices necessary for the proper functioning of such items, and may also include durable and non-durable medical equipment not available as a State plan benefit.

The HCBS-EBD program offers the following additional services:

- In-Home Support Services (IHSS) – IHSS includes health maintenance activities, support for activities of daily living or instrumental activities of daily living, personal care service and homemaker services. Additionally, IHSS providers are required to provide the core independent living skills. This service is only available for EBD, SCI and CHCBS members.
- Community Transition Services (CTS) – CTS assists Medical Assistance Program members in transitioning from nursing facilities to community-based residences. CTS are administered by provider specialty Transition Coordination Agency (TCA). TCAs have to provide at least two Independent Living Core Services and have to be certified by the Department to provide CTS.

24E	**Diagnosis Pointer**	Required	Enter the diagnosis code reference letter (A-L) that relates the date of service and the procedures performed to the primary diagnosis. At least one diagnosis code reference letter must be entered. When multiple services are performed, the primary reference letter for each service should be listed first, other applicable services should follow. This field allows for the entry of 4 characters in the unshaded area.

CMS Field #	Field Label	Field is?	Instructions
24F	**$ Charges**	Required	Enter the usual and customary charge for the service represented by the procedure code on the detail line. Do not use commas when reporting dollar amounts. Enter 00 in the cents area if the amount is a whole number. Some CPT procedure codes are grouped with other related CPT procedure codes. When more than one procedure from the same group is billed, special multiple pricing rules apply. The base procedure is the procedure with the highest allowable amount. The base code is used to determine the allowable amounts for additional CPT surgical procedures when more than one procedure from the same grouping is performed. Submitted charges cannot be more than charges made to non-Health First Colorado covered individuals for the same service. Do not deduct Health First Colorado co-payment or commercial insurance payments from the usual and customary charges.
24G	**Days or Units**	Required	Enter the number of services provided for each procedure code. Enter whole numbers only- do not enter fractions or decimals.
24G	**Days or Units**	General Instructions	A unit represents the number of times the described procedure or service was rendered. Except as instructed in this manual or in Health First Colorado bulletins, the billed unit must correspond to procedure code descriptions. The following examples show the relationship between the procedure description and the entry of units. **Home & Community Based Services** Combine units of services for a single procedure code for the billed time period on one detail line. Dates of service do not have to be reported separately. Example: If forty units of personal care services were provided on various days throughout the month of January, bill the personal care procedure code with a From Date of 01/03/XX and a To Date of 01/31/XX and 40 units.

Timely Filing

The Health First Colorado allows providers to document compliance with timely filing requirements when the initial timely filing period has expired. Health First Colorado providers have 120 days from the date of service to submit their claim. For information on the 60-day resubmission rule for denied/rejected claims, please see the General Provider Information manual in the Provider Services Billing Manuals section.

Making false statements about timely filing compliance is a misrepresentation and falsification that, upon conviction, makes the individual who prepares the claim and the enrolled provider subject to fine and imprisonment under state and/or federal law.
