

To All Colorado Medicaid EHR Incentive Program participants

The Department of Health Care Policy and Financing (the Department) is pleased to announce that the Colorado Medical Assistance Provider Incentive Repository (MAPIR) will be open and accepting Medicaid Electronic Health Records (EHR) Incentive Program attestations from Medicaid Eligible Professionals (EPs) and Eligible Hospitals (EHs) for Program Year (PY) 2016 beginning October 15, 2017. Please refer to the Centers for Medicare & Medicaid Services (CMS) webpage for [program requirements](#). As a reminder, for PY 2016, all providers must attest to objectives and measures using EHR technology certified to the 2014 Edition. If it is available, providers may also attest using EHR technology certified to the 2015 Edition, or a combination of the two.

To help with additional questions and concerns, you are invited to an informative session to learn about the new attestation system and how you can use it to successfully attest for PY 2016. The breakfast will be held on September 19, 2017. Over breakfast, you will be shown how the system has changed from last year, tips on using it successfully, and important deadlines. Registration is required. Please go to the CORHIO [events page](#) for more information and to register.

For further questions, please contact the Medicaid EHR Incentive Program Coordinator at 720-285-3232 or by email at MedicaidEHR@corhio.org.

Please do not reply to this email; this address is not monitored.
