COLORADO DEPARTMENT OF REVENUE

Software Developers Test Package

This business income package consists of eight tests, four using Colorado Form 112 for C-corporations, and four using Colorado Form 106 for S-corporations and partnerships. The tests are in scenario fashion, showing the line items that are applicable to the tests.

Colorado test returns can be transmitted beginning November 12, 2014 or the start of IRS testing, whichever is later. Please notify us when you send a transmission by contacting Steve Asbell at the e-mail address below with the submission IDs. We will accept pre-production season tests until January 9, 2015. We allow testing past that date, but the testing period can only be extended by written or email request.

Under normal circumstances we will receive return(s) the business day you have transmitted. From the day you send us the submission IDs for the returns we will typically respond by e-mail within 2 working days. If there are errors, we will analyze the transmission to detect the cause and advise you concerning the problem.

For more information you may contact Steve Asbell by phone at 303-866-3889 or e-mail address Stephen.Asbell@state.co.us.
