**NOTE:** We respectfully request proof of service and/or status of discharge to ensure the integrity of the memorials' intent. Honor and service before self are just some of the motivation or reasons our veterans served the United States. It is our desire to expend the same effort through this process to ensure proper respect is given to the Veterans whom we wish to honor. Proof of and/or status of service can be established by one of the following; copy of current enlistment orders and/or United States Military ID shown to committee member (copy should not compromise member's requirement for security of personal or government property), Discharge orders (must establish status of discharge, i.e. Honorable, General under Honorable conditions, DD Form 214, or DA-1059 (National Guard and Reserve (Reserve component veteran). In both cases -TITLE 10, SUBSECTION 672 OR 12301 are orders from the Secretary of Defense and they are **federal orders**.
