# MISSION STATEMENT

The mission of the Colorado State Patrol is to ensure a safe and secure environment for all persons by utilizing the strengths of our members to provide professional law enforcement services that reflect our Core Values of Honor, Duty and Respect.

# VISION STATEMENT

Through unwavering professionalism and loyal adherence to our core values, the Colorado State Patrol will be a leader in public safety. We will advance our profession as we safeguard life and protect property throughout Colorado.

# CSP TENETS

**Character:** Living by the highest standards of behavior that exemplify the principles of self-discipline, stability and moral strength.

**Knowledge:** The cornerstone which sets the quality for the organization through continuing education and experience to enhance our expertise.

**Honor:** The essence of a person's veritable integrity based on the representation of moral character and ethical actions.

**Courtesy:** Fair and consistent manner in which the organization will provide law enforcement services to all persons.

**Integrity:** Moral fortitude free from corrupting influence that guarantees the strict fulfillment of the duties and trust expected from the organization.

**Judgment:** Application of knowledge, training and expertise to think critically and make sound decisions in order to achieve positive outcomes.

**Loyalty:** Faithful adherence to the organization and its objectives, including an allegiance to oneself and to every member of our organization.

# GUIDING PRINCIPLES

## Commitment To Members

The Colorado State Patrol recognizes its members as our greatest asset. We are committed to investing in our personnel by providing education, personal enrichment and professional development that enables them to utilize their individual strengths to achieve our collective mission of offering the highest quality of service to the public.

## Alignment Of Partnerships

The Colorado State Patrol continues to develop and strengthen internal and external partnerships to improve public safety services. We are dedicated to promoting, sustaining, and expanding these professional relationships to address complex public safety challenges.

## Utilizing Technology

The Colorado State Patrol utilizes predictive and adaptive, knowledge-based tactics to enhance our mission effectiveness. We are focused on implementing practical technologies that enable our members to be more effective and efficient in the attainment of our mission.

# CORE VALUES

## Honor

The essence of a person's veritable integrity based on the representation of moral character and ethical actions.

## Duty

Dedication of moral commitment to a mission that involves sacrifice of immediate self-interest for the betterment of public safety in Colorado.

## Respect

Conduct in accordance with honorable actions that reflect the highest regard for mission, self and others.
