

## 2013-2014 CHRAB REGRANTING PROJECTS

In 2013, CHRAB was awarded \$10,000 in funds from NHPRC to assist smaller repositories throughout the state with a variety of basic archival needs. CHRAB awarded grants to 5 Colorado historical records repositories to develop and/or carry out projects to identify, preserve, access and use historical records in Colorado.

The following organizations received grants from the 2013-2014 CHRAB Re-granting Project for their historical records projects.

### **City of Greeley Museum**

#### *Paper Trails: The Lynching of W. D. French*

1,417.18 to hire a paper conservator to complete an on-site conservation project which includes condition reports, photographs, cleaning, mending, and re-housing of approximately 60 Weld County Coroner's inquests related to the murder of Harry Woodbury, on December 15, 1888 by W.D. French.

### **Montrose County Historical Society Museum**

#### *Digitization of Oversized Original Panoramic Historic Photos*

\$1,900.00 to remove original photos from frames, digitize them, and house them in archival quality storage. Surrogate copies will be transferred to a professional framer for display.

### **Colorado Railroad Museum**

#### *Stabilizing and Digitizing 23 Large Railroad Maps*

\$1,235.12 to catalog, digitize, and re-house 23 large hand drawn maps from the 1880s-1900s. The digital proxies will become the primary use documents.

**Bessemer Historical Society***CF&I Archives Canvas Maps Preservation and Access Project*

\$2,000.00 to hire a temporary digital media technician to digitize 133 oversized maps. The maps are ink-on-canvas drawings that were created 1890-1930, depicting numerous mines in Las Animas, Huerfano, and Fremont Counties.

**Historic Manitou Springs***Heritage Center Archive*

\$2,441.40 to purchase archival quality supplies for the City of Manitou Springs' historical archives. The Heritage Center will also develop a collection management plan to direct continued archiving efforts and future project phases.
