Officially we open the Saturday after Thanksgiving (November 26th). If you want your tree before Thanksgiving please e-mail or call us and we will put you on our call list. Most years trees are available the Monday and Tuesday before Thanksgiving. We are closed Wednesday November 23rd through Friday November 25th to celebrate Thanksgiving. Most years we sell out of trees 10-14 days after the first Saturday.

Hours: Monday-Thursday 9 a.m. - 7 p.m., Friday and Saturday 9 a.m. to 8 p.m., Sunday Noon-5pm. If it is below 5 degrees please call first. At that temperature the trees are very brittle and break easily, we will close if it's too cold. We will have hot chocolate, Christmas music, wreaths, garland, tree preservative, tree stands, and other accessories. We also sell live Christmas Trees you can plant in your yard after the holidays. Our trees are pre-cut, but don't sit in a warehouse for a month prior to shipping. Our growers cut and ship the trees within days, so they last great. We also cut our own native trees too, and they last the best. The trees are displayed so that they appear to be in the ground. No saws are needed and we have plenty of staff to help

take it down and tie it on your vehicle at no extra charge. We recommend you have a fresh cut on the trees trunk, and we will do that for you also free of charge. We do not net the trees as that pulls more needles off when you take it in the house. We sell the following varieties; Fraser Fir, Canan Fir, Balsam Fir, White Fir, Douglas Fir, and White Pine. We sell native White Fir. If we find any native Douglas or Corkbark Fir we will have a few of those. Retired/Active Duty Military receive \$5.00 of any tree with ID.

Directions: From I-25 take Woodmen Rd (exit 149) east. You will pass under Powers Blvd and the Hospital. Turn Right on Black Forest Rd. Immediately turn Right at the stop sign/T in road. You are now on Templeton Gap Rd. Turn Right the next stop sign, also Templeton Gap Rd. We are the first and only gate on the left.
