Maize in the City & Haunted Field of Screams

Located at the southeast corner of 104th and Riverdale Rd. in Thornton
info@maizeinthecity.com
www.maizeinthecity.com or
www.hauntedfieldofscreams.com

Late September to October 31

Maize in the City offers the ideal destination for families and children for the fall season. Only 20 minutes outside of Denver, the attraction is open seven days a week.

Join us to explore the 20-acre Corn Field Maze and Mini Maze, fit for the younger audience. Experience the petting zoo and enjoy a hay or pony ride. Encounter hours of fun on the jumping castles, air slide, obstacle course and playground.

Take your maze experience to the next level with the smart phone trivia game. Find your way through the maze by answering personalized questions or picking from one of several categories.

Pick your own pumpkin! Offering 11 varieties of pumpkins, visitors are able to choose from hundreds of shapes and sizes. Create your own fall scene with hay bales and corn stalks. *Please note, stock and variety of items are dependent on season and crop inventory.

Please visit our web site for a full list of activities on a per-day basis and follow us on Facebook and Instagram (MaizeintheCity). All activities are weather dependent.

The Haunted Field of Screams features three frightful haunts: Dead Man's Night Maze, Zombie Paintball Massacre and Haunted Field of Screams.

The Haunted Field of Screams traps visitors in a cornfield containing their worst nightmares. Guided solely by the moonlight, the daunting 16-foot tall cornstalks surround a trail that

contains pure terror behind every corner. Whatever your worst nightmare-zombies, clowns, chainsaw-wielding madmen - all will be realized while journeying through the cornfield and encountering themed rooms that rival every bad dream.

Dead Man's Night Maze is a revived version of the original corn maze haunt. With wrong turns, never-ending pathways and dead ends, getting lost is easy. Endless monsters, zombies and other nightmares will stalk visitors every step of the way.

The Zombie Paintball Massacre first appears as a typical moonlight hayride, until zombies invade the cornfield and prowl for human brains. Visitors use high-powered paintball guns to fight off the real zombies and save themselves and their fellow passengers.

All three haunts are open Thursday through Sunday at sundown and close at 10 p.m. on Thursdays and Sundays and midnight on Fridays and Saturdays. Visit our web site for ticketing information and follow us on Facebook, Instragram (HauntedField) and Snapchat (HauntedField). Attractions are weather dependent.

For both daytime and nighttime activities, please check each web site right before your visit, as inclement weather can cause closures.

Labor Day - Mid-November
Daily, 9 a.m. - 6 p.m.

Our Fall Harvest Festival celebrates the season with a one of a kind experience. Each year, Miller Farms is pleased to work with thousands of individuals and school children to show folks of all ages what happens on a real working farm. Many people don't realize that their food comes from a farm or that it just doesn't appear in their local market. Our fall festival gives everyone the opportunity to not only explore the farm, but to also harvest their own vegetables! During the fall harvest, everyone takes a tractor ride to our fields with stops along the way to pick their own vegetables. They'll get the fun and educational experience of putting their hands in the dirt, and the rewarding benefit of picking fresh produce to take home to their families. All of our activities and harvesting are included in the cost of admission. Begin your day with a visit to our petting zoo, followed by navigating your way through our corn maze. Visit 'Antique Alley' and enjoy your lunch in our picnic area, where we've got dozens of covered tables set up for your convenience. We have trash barrels and washing stations throughout, as well as several portable restrooms. Take our hayride through 180 acres of fields where you can pick your own vegetables—potatoes, carrots, onions, beets, Indian corn, squash, peppers, and the list goes on! You may even get your very own pumpkin to take with you. If you aren't up to picking your own, we always have plenty of

produce on hand in the roadside stand. We also have our chile roaster going for a wonderful treat! We do offer snacks, drinks and other delicious treats.

Directions: I-25 to Exit 243, east 5 miles on Hwy. 66.
