Labor Day - Mid-November

Daily, 9 a.m. - 6 p.m.

Our fall festival gives everyone the opportunity to not only explore the farm, but to also harvest their own vegetables! During the fall harvest, everyone takes a tractor ride to our fields with stops along the way to pick their own vegetables. They'll get the fun and educational experience of putting their hands in the dirt, and the rewarding benefit of picking fresh produce to take home to their families.

All of our activities and harvesting are included in the cost of admission. Begin your day by navigating your way through our corn maze. Visit 'Antique Alley' and enjoy your lunch in our picnic area, where we've got dozens of covered tables set up for your convenience. We have trash barrels and washing stations throughout, as well as several portable restrooms. Take our hayride through 180 acres of fields where you can pick your own vegetables—potatoes, carrots, onions, beets, Indian corn, squash, peppers, and the list goes on! You may even get your very own pumpkin to take with you. If you aren't up to picking your own, we always have plenty of produce on hand in the roadside stand. We also have our chile roaster going for a wonderful treat! We do offer snacks, drinks and other delicious treats.

Besides the hayride that takes you to the fields to harvest, there are chickens and ducks and tons of other activities for you and the kids. We have a giant "Croc-pit" (imagine thousands and thousands of chopped-up Crocs in a giant pile-o-fun), corn maze, kids play areas, antique tractors, peddle tractors, a hay pyramid, farm animals, and a unique collection of oddities and activities.

Directions: I-25 to Exit 243, east 5 miles on Hwy. 66.
