2020 Colorado Farmers’ Market Locations

This list will be updated as new information becomes available.
Updated as of 7/31/20
(please note the starting dates)

From the Colorado Farmers Market Association:
Farmers market visitors should check the websites or social media pages of their favorite farmers markets to find out about changes in operations. Customers can expect many markets to continue operating with new guidelines in place for social distancing, and a priority placed on public health.
