### ACTION ITEMS

## AFFORDABILITY ROADMAP

<table>
<thead>
<tr>
<th>Affordability Roadmap</th>
<th>Status and Follow-Up</th>
</tr>
</thead>
</table>
| Prescriber Rx Tool            | • OeHI participating in procurement process as subject matter experts  
                                • OeHI meeting on regular basis with Tom Leahy on project details  
                                • OeHI added criteria to SUPPORT ACT funding request to support provider adoption and reduce burden related to ALL prescription tools and support the integration of the tool/data. **Funding request in final clearance to be submitted to CMS first week of Dec.** |
| Advanced Directive SB 19-073  | • Align/Prioritize Roadmap Initiatives- consent, identity, HIE  
                                • Project kicked off Aug 2nd with regular meetings set up  
                                • Alignment and technical mapping sessions in September  
                                • Chris Wells leading effort  
                                • Survey released in November to inform requirements |
| Interoperability (JAI)        | • Align/Prioritize Roadmap Initiatives- Identity resolution in review by OIT, advance HIE projects kicking off for phase 1, scoping phase 2  
                                • Nov- OeHI mapping county investments to better coordinate services/care  
                                • Boulder County Connect and Care Resource Network accepted as projects  
                                • Marc Lassaux and Carrie Paykoc serving on leadership committee |
| Broadband/Telehealth          | • Submitted letter of support and comments August 29th for connected care pilot funding opportunity  
                                • Launched workgroup on November 01, 2019. Goal to develop state plans for policy and funding by June 2020.  
                                • Chaired by Rachel Dixon, eHealth Commissioner, President of Prime Health |
PUBLIC GOOD PROJECTS

JOE SMYSER, PHD, MSPH
CEO, THE PUBLIC GOOD PROJECTS
CARE COORDINATION

CARRIE PAYKOC, OEHI
CARA BRADBURY, OEHI
IDENTIFY, UNDERSTAND, AND PRIORITIZE LEVERAGE POINTS THAT CAN BE ADDRESSED BY A VARIETY OF SOLUTIONS DESIGNED TO SUPPORT WHOLE PERSON CARE BY FACILITATING THE CONNECTION OF INDIVIDUALS TO NEEDED RESOURCES ACROSS COLORADO COMMUNITIES USING HEALTH IT INFRASTRUCTURE AND DATA SHARING.
Social-Health Information Exchange

**Screening and Resource Directory**
1. Screening Protocol
2. Resource Directory

**Partners**
- Health Care Organizations (EHRs)
- Care Coordinators and Managers
- Public (Patients, Clients, Community Members)
- Case Managers & Counties
- Community Based Service Providers

**Bidirectional Interoperability**
4. Individual Data on Social Health
5. Referral System
6. Information Exchange and Interoperability

*COLORADO*
WHAT WE HEARD FROM YOU

- $3M is not enough funding
- Need more clarity on the funding strategy
- Need to minimize duplicative efforts
- Success will be inhibited by community-based organization capacity
- Alignment with problems the State is focused on for more affordable, accessible, and efficient care.
FUNDING STRATEGY

- Increase Care Coordination Funding to $5-6 Million

- Investment Areas
  1. Technology Infrastructure (Core Components)
  2. Community Practice
  3. Change Management
  4. Incentive Payments (Community-based Services) - Currently UNFUNDED
  5. Data Governance

- Timeline
  - Design phase (4-6 Months)
    - Application Design
    - CMS Review Period
    - Application Period
    - Review Period
  - Grant Period (2 Years)
**TECHNOLOGY COMPONENTS**

Funding for core components will target the enhancement of existing technology tools and infrastructure.

<table>

<tr>
<th>Screening and Assessment</th>
<th>Referral Pathways</th>
<th>Care Coordination</th>
</tr>
</thead>
</table>
| • SDOH screening protocols and tools  
  • SDOH screening integration into workflows | • Community resource inventory  
  • Closed loop eReferrals | • Case management platform(s)  
  • Data sharing with consent management |

**Information Exchange and Interoperability**

- • Data exchange schema and standards (HTP, JAI, eCQM)  
  • Data warehousing and security  
  • Data analytics  
  • HIE Connection(s)
# NON-TECH COMPONENTS

## Community Practices
- On-going Convening
- Project management
- Tracking and evaluation
- Development of MOUs/ data sharing agreements/ ROIs
- Consumer engagement activities

## Change Management
- Documentation of lessons learned
- Guidance documents, webinars, technical assistance
- Cross-site convening
- Financial modeling and planning

## Data Governance
- Legal framework(s)
- Coordination of local communities efforts and state efforts
- Technical assistance

## Incentive Payments - Unfunded
- Community-based services
FUNDING ALLOCATIONS

## FUNDING ALLOCATIONS

### Target Improvement Areas

<table>
<thead>
<tr>
<th>Tier 1</th>
</tr>
</thead>
<tbody>
<tr>
<td>• Improved maternal/child health outcomes</td>
</tr>
<tr>
<td>• Coordination for mental health services/ suicide prevention</td>
</tr>
<tr>
<td>• Increased food security</td>
</tr>
</tbody>
</table>

<table>
<thead>
<tr>
<th>Tier 2</th>
</tr>
</thead>
<tbody>
<tr>
<td>• Decreased homelessness/ housing instability</td>
</tr>
<tr>
<td>• Coordination for aging services and planning</td>
</tr>
<tr>
<td>• Reduced recidivism rates in criminal justice system</td>
</tr>
<tr>
<td>• Opioid Abuse Prevention</td>
</tr>
</tbody>
</table>

<table>
<thead>
<tr>
<th>Tier 3</th>
</tr>
</thead>
<tbody>
<tr>
<td>• Other state priority</td>
</tr>
</tbody>
</table>
FUNDING ALLOCATIONS

▪ **Interoperability Requirement** - OeHI will limit the allocation of funds to projects that can demonstrated data sharing with state Health Information Exchanges and align with JAI efforts. Data sharing must meaningfully contribute to the overall ability for effective reporting and data analysis of care coordination activities.

▪ **Ideal Types of Lead Organizations** - OeHI will limit the allocation of funds to applicants that meet HITECH requirements. Lead organizations will be responsible for grant reporting and must demonstrate strong local partnerships and experience with successful community engagement and technology projects.
SUSTAINABILITY

- **State Infrastructure** - State funding will support HIE components and interoperability. MMIS funding will be evaluated to sustain information exchange and interoperability functionality across communities.

- **Local Infrastructure** - Grant funding is intended to help communities adopt core SHIE components and demonstrate value that leads to new, diverse sources of funding.
Q & A
CLOSING REMARKS

JASON GREER, CO-CHAIR
