Subject: COMMUNICATION BRIEF
Department recruiting stakeholder members for the Community Living Quality Improvement Committee

Purpose: To identify and recruit persons with lived experience, caregivers, providers and related stakeholders of the following child and adult Medicaid populations, for the Department's *Community Living Quality Improvement Committee* (CLQIC).

Background: The Colorado Department of Health Care Policy & Financing (HCPF) is recruiting new members for an advisory committee focused on quality improvement for HCPF's Office of Community Living (OCL). The *Community Living Quality Improvement Committee* (CLQIC) will provide input and recommendations to the OCL on the development of a robust quality strategy from a person-centered perspective.

The committee is interested in membership inclusive of persons with lived experience, caregivers, providers and related stakeholders of the following child and adult populations:

- Older adults
- Intellectual or developmental disabilities
- Cognitive disabilities
- Physical disabilities
- Mental health disabilities
- Behavioral disabilities
- Substance use disorders

Procedure or Information: If you are interested in becoming a member of the CLQIC, please fill out an application. The application is available via this online form: <https://goo.gl/forms/gn9msNwqB2jCnNr52> If you have questions about the CLQIC Committee and/or the application process please see the contact information below.

Additional information on the Office of Community Living at HCPF can be found here:
