Public Comment Period – Review of Regulation 8.400-8.497

Purpose: To notify stakeholders of the opportunity to provide public comment to the Department of Health Care Policy and Financing (Department) on Regulation 8.400-497.

Information:

Executive Order D 2012-002 (EO 2), later codified by the Colorado General Assembly in Section 24-4-103.3 CRS (2014), requires that state agencies review, on a continuing basis, all existing rules to ensure they use the best, most innovative and least burdensome tools for achieving their goals. The Department has begun the Regulatory Efficiency Review process for **10 CCR 2505-10, section 8.400-497**. This rule includes the following areas: Long Term Care Eligibility Procedures, Nursing Facility, Home and Community Based Services, and Program for All-Inclusive Care for the Elderly.

Please find the regulations and contact information for public comment, at:
<https://www.colorado.gov/pacific/hcpf/regulatory-efficiency-review>.

This public comment period is open as of the date of this communication, through August 15, 2018.
