

Community Transition Risk Mitigation Plan /Participant Risk Agreement

Risk Assessment is an important part of the assessment and service planning process. This agreement Serves as documentation of a conversation through which the individual or his/her legal representative have been presented with the potential risks identified through the assessment process, the source of those risks, the alternatives available to address the risks identified and an acknowledgement by the individual or his/her legal representative that the identified risks exist and the individual has agreed to assume these risks in order to return to the community.

Name of Participant: _____

Name of individuals involved in the risk identification and reduction discussion:

	My Risk & negative outcomes that may result from this risk	Alternative things that I can do to prevent & manage negative outcomes from this risk	Monitoring & Reporting Plan	Risk Response Plan
