- Filled out Contractor License/Registration Renewal Application
- Updated Insurance Information
- Copies of Valid Licenses/Registrations for plumbing and electrical contractors

**\*\*\*\*MUST SUBMIT A COMPLETE APPLICATION PACKET TO START THE REVIEW PROCESS.  
INCOMPLETE APPLICATIONS MAY NOT BE ACCEPTED.**

## *LICENSE/REGISTRATION CLASSES*

**CLASS A** - Authorized to build all construction types including buildings taller than 3 stories. Contractor must carry the equivalent license in another Colorado Jurisdiction. (If contractor does sub-contract trades as well they must get corresponding registration/license.)

**CLASS B** – Authorized to build commercial and residential construction of types II, IV, or V construction. Buildings may not be any taller than 3 stories. Excludes the construction of educational, institutional or hazardous occupancies. Contractor must carry the equivalent license in another Colorado Jurisdiction.

**CLASS C** – Authorized for Residential construction (not taller than 3 stories). Accessory Structures and Re-Models. Also Includes construction of one and two family homes. Contractor must carry the equivalent license in another Colorado Jurisdiction.

**CLASS D** – Includes all sub-contractors/trades not listed on another registration/license. Examples are Mechanical, Roofers, Framers, Fire Protection (without plumber), Fences, Windows, Siding, and Lawn Sprinklers. Contractor must carry ICC Certification or License from another Jurisdiction that requires Contractor Testing (Such as City of Denver).

**ROW**- Able to do work in the public right of way including Grading, Utility, Infrastructure, Sewer, Water and Dirt Work. Contractor must carry equivalent license in another Colorado Jurisdiction.

**PLUMBING** - Must provide Colorado State Master Plumber License and Colorado State Plumbing Contractor License.

**ELECTRICAL** - Must provide Colorado State Master Electric License and Colorado State Electrical Contractor License.

**\*\*\*\*\*ELECTRICAL AND PLUMBING ARE REGISTRATIONS NOT LICENSES. THERE IS NOT A FEE ASSOCIATED WITH ELECTRICAL REGISTRATION.**
