NOTES:

1. The lot lines of all lots which border on Pennsylvania Creek or any of its branches are considered to be along the centerline of the creek.
2. Pins for lot corners that lie in Pennsylvania Creek or its branches are offset from the centerline of the creek and are set on the lot line.
3. Pins of lot corners along road access easements are located 30 feet back along lot lines.
4. Pins on road access easements at angle points in lots are set at one-half of the intersecting angle and are located 30 feet back way out from the intersection point of the lot lines (the centerlines of the road access easements).
5. Pins of lot corners at 20-foot diameter access road cut-backs are located 40 feet back along lot lines.

"BLUE RIVER ESTATES INC."
