Your partner in good health

Nationwide, more than 9 million people turn to us as their trusted partner in total health. Take a look, and you'll see why Kaiser Permanente is a better choice.

The power to choose

With many great doctors and convenient facilities, it's easier to get the care you need when and where you want it. Plus, you can choose and change your doctor anytime, for any reason.

Excellent care

You're at the center of everything we do, which is why the personalized care you get leads to healthier tomorrows. Our board-certified specialists and multidisciplinary care teams are pioneering new ways to prevent, detect, and treat illness.

Your health. Your way.

We're always here when you need us, however you need us — in person, by phone, or online. With convenient online and mobile tools, you can manage your family's health care anytime, anywhere.

Healthy extras

We're not your typical health care provider. We partner with you so you have the knowledge and resources to manage your health — inside and outside the doctor's office. We also partner with communities, through fitness events, and other programs.

The power to choose

Stay in charge of your health. It's simple to make smart choices when you have great doctors and convenient facilities.

Your choice of top doctors

You have a wide selection of skilled doctors that you can choose from and change anytime, for any reason.

Our doctors:

- Come from many of the top medical schools in the country.
- Work hand-in-hand with your entire care team, who are all connected by your electronic health record.
- Don't have excessive paperwork so they can focus only on delivering the care you need.
- Care about their patients and love what they do.

Under-one-roof access

Save time and avoid driving all over town for care. You'll have many locations to choose from, and most of them offer multiple services under one roof. You can see your doctor, get a lab test or an X-ray, and pick up your medications — all without leaving the building. And when you get care with fewer delays, you can get better faster too.

Extra conveniences

- Email your doctor's office with routine questions.
- Get same-day, after-hours, and weekend services at most locations.
- Receive personalized care from doctors and staff who speak more than one language.
- Refill most prescriptions online with free shipping.
- Make routine appointments with a call or click.
- View recent office visits and most test results online.
- Call an advice nurse with access to your health information, 24/7.
- Travel freely; you're covered for emergency care worldwide.

Your electronic health record brings it all together

Your doctor's office

Your record gets updated with each visit to a Kaiser Permanente medical office, so it's always current.

Pharmacy, lab, X-ray

No need for paperwork when you get services at our medical office — your doctor's orders are already there.

Excellent care

Kaiser Permanente has one of the largest multispecialty medical groups in the country, which includes cardiologists, cardiac surgeons, oncologists and others.

Personalized care and attention

A care team that's informed and focused on you can lead to better health. From your doctor and caregivers — who are all connected to your electronic health record and keep up-to-date on how you're doing — to our free online programs and Wellness Coaching by Phone service, your care is not one-size-fits-all. It's personalized to your needs and schedule.

Top specialty care for healthier tomorrows

Our doctors, nurses, and other caregivers use an advanced care delivery system that Kaiser Permanente pioneered. It's had a measurable impact on the prevention, detection, and treatment of conditions like cancer, heart disease, stroke, and diabetes. We were also rated in the top 10 percent among cholesterol management programs for patients with cardiovascular conditions.¹

Leaders in prevention

We're committed to preventive care and overall wellness. To help keep you from getting sick in the first place, we provide routine appointments, preventive screenings, wellness programs, and much more. As a result, we're #1 in screenings for breast cancer in all our regions, and were rated in the top 10 percent for cervical and colon cancer screenings. Plus, 86 percent of our members who were diagnosed with high blood pressure now have their blood pressure under control, compared to 50 percent nationally.^{1,2}

¹Ratings based on Breast Cancer Screening, Cervical Cancer Screening, Colorectal Cancer Screening, and Controlling High Blood Pressure 2012 ratings for commercial and Medicare plans from the Healthcare Effectiveness Data and Information Set (HEDIS) published by the National Committee for Quality Assurance. For more information, visit ncqa.org.

²Kaiser Permanente program average is the weighted average of each regional health plan's screening date and its eligible population.
