Evidence-based Solutions for Prediabetes and Hypertension: Shifting the Practice Paradigm

Date: Friday, June 12, 2015

Location: The Inverness Hotel and Conference Center
200 Inverness Drive West, Englewood, CO 80112

Cost: Free

Registration: Visit: <https://www.eventbrite.com/e/conference-for-primary-care-providers-tickets-16114592179>
Password: CDPHE

REGISTRATION IS NOW OPEN!

This half-day event is designed for physicians, physician assistants, nurse practitioners, nurses and pharmacists. Hear from local and national experts on evidence-based strategies that can support the prevention and management of cardiovascular-related chronic diseases.

Take away tools to translate evidence into practice.

Learning Objectives: These objectives support chronic disease prevention and management with patient populations:

- Implement evidence-based strategies to support the management of prediabetes and hypertension.
- Apply health systems approaches to enhance prediabetes and hypertension management, including team-based care models and optimizing referral mechanisms into self-management programs.
- Recognize the role of community-clinical linkages in the management of prediabetes and hypertension, such as the inclusion of community health workers, patient navigators and pharmacists.

COLORADO
Department of Public
Health & Environment

Keynote Speakers:

Omar Hasan, MBBS, MPH, MS, FACP
Vice President, Improving Health Outcomes,
American Medical Association

Dr. Omar Hasan is Vice President for Improving Health Outcomes at the American Medical Association where he is responsible for leading a transdisciplinary team in developing and implementing the AMA's national strategy for improving health outcomes and curbing cost growth for a select group of high-impact medical conditions. Previously, he spent more than a decade practicing internal medicine and leading quality improvement and patient safety initiatives across diverse healthcare settings. Dr. Hasan is fellowship trained in health services research and healthcare quality improvement and holds master's degrees in healthcare management and clinical epidemiology from Harvard University.

Terri Richardson, MD
Internist and African American of Excellence
Clinical Lead, Kaiser Permanente, Colorado
Vice Chair, Colorado Black Health Collaborative

Dr. Richardson has over 27 years of experience as a clinician, health educator, and volunteer in the health arena. She is currently a board certified

Internist and the Physician Lead of the African American Center of Excellence at Kaiser Permanente. Additionally she has served on a number of volunteer boards and as a speaker around health care issues impacting the African American community. She currently is the Vice Chair of the Colorado Black Health Collaborative (CBHC) and CBHC's Project Director for the CDC REACH award focusing on cardiovascular health. The Collaborative has a number of initiatives including a health resource directory, mentoring programs, and a Barbershop/Salon health screening program.

Format: Program sessions will include case-based learning methods and discussion periods after each presentation. Participants will also have the opportunity to visit national and community-based chronic disease prevention and management resources.

For more information, visit colorado.gov/cdphe/chronicdisease2015events

Continuing Education credits will be available.

Physician Accreditation Statement: This activity has been planned and implemented in accordance with the accreditation requirements and policies of the Accreditation Council for Continuing Medical Education (ACCME) through the joint providership of SynAptiv and CDPHE. SynAptiv is accredited by the ACCME to provide continuing medical education for physicians. SynAptiv designates this live activity for a maximum of 4 *AMA PRA Category 1 Credits™*. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Conference Agenda:

8:00: Registration/Continental Breakfast

8:30: Welcome Remarks

8:45: Keynote Speaker: Dr. Omar Hasan
"Working Together to Prevent Diabetes
and Improve Hypertension"

9:35: Break/Exhibits

Concurrent Panels:

9:45: Optimizing Referral Systems to
the Diabetes Prevention Program

9:45: Creating Clinical and Community
Linkages for Self-Measured Blood
Pressure Monitoring

10:45: Break/Exhibits

Concurrent Panels:

11:00: The Role of Pharmacy in
Managing Chronic Disease

11:00: Incorporating the Community
Health Worker and Patient Navigator in
the Care Team

12:00: Lunch/Exhibits

12:30: Keynote Speaker: Dr. Terri
Richardson "A Home Run Starts at Home
Base: Improving Health with Community-
Based Engagement Methods "

1:15: Closing Remarks

1:30: Evaluation Submission/ Optional
Networking/ Exhibits

Nursing Accreditation Statement: SynAptiv is an approved provider of continuing nursing education by the California Board of Registered Nurses. Provider approved by California Board of Registered Nursing, Provider # 16031 for 4 contact hours. This activity is jointly provided by SynAptiv and CDPHE.

The CU Skaggs School of Pharmacy and Pharmaceutical Sciences is accredited by the Accreditation Council for Pharmacy Education as a provider of continuing pharmacy education.
