

Stay UPDATED. Not INUNDATED.

Telligen's *Colorado biweekly newsletter* is an electronic newsletter designed to help you. Every two weeks, we collect important news and updates, upcoming events, and learning opportunities from our partners and resources. We share best practices, promote EHR user group information, and offer information and education on incentive programs and quality. Most events are FREE!

First Name: _____

Last Name: _____

Credentials/Job Title: _____

Email Address: _____

Company Name: _____
