Insurance Resources:

Medicaid
Web Address: http://www.medicaid.gov/
Phone: 800-465-3203
Address: 7500 Security Boulevard Baltimore, MD 21244
Purpose: Medicaid is health coverage available to certain people and families who have limited income and resources.

Medicare
Web Address: http://www.medicare.gov/
Web Address (Consumer): https://mymedicare.gov/
Phone: 800-MEDICARE (800-633-4227)
Address: 7500 Security Boulevard, Baltimore, MD 21244
Purpose: Medicare is the federal health insurance program for people who are 65 or older, certain younger people with disabilities, and people with End-Stage Renal Disease (permanent kidney failure requiring dialysis or a transplant, sometimes called ESRD).

Medicare Diabetes Screening Projects
Web Address: http://www.screenfordiabetes.org/
Purpose: Screening benefits for diabetes available under Medicare

The Department of Healthcare Policy and Financing-Colorado
Web Address: http://www.colorado.gov/hcpf
Phone: (303) 866-2993
Fax: (303) 866-4411
Address: 1570 Grant Street · Denver, CO 80203-1818
Purpose: “The Department administers the Medicaid and Child Health Plan Plus programs as well as a variety of other programs for Colorado's low-income families, the elderly and persons with disabilities”

Colorado Indigent Care Program (CICP)
Web Address: http://www.colorado.gov/cs/Satellite/HCPF/HCPF/1214299805914
Phone: 1-800-221-3943
Address: 1570 Grant Street · Denver, CO 80203-1818
Purpose: The Colorado Indigent Care Program (CICP) is not a health insurance. CICP provides funds to the clinic or hospital so medical services can be provided at discount to those that qualify for this program. Applicants are “rated” in order to determine their copayment amounts for the year. This total amount cannot exceed 10% of income in a 12-month calendar year. Depending on the participating clinic or hospital, prescription benefits are available. Check with the specific provider on their policy.

Insure Kids Now
Web Address: http://insurekidsnow.gov/
Phone: 1-877-Kids-Now (1-877-543-7669)
Purpose: Provides information on different plans and options available in the state.

Child Health Plan Plus (CHP+)
Web Address: http://www.cchp.org/index.cfm?action=aboutCHP&language=eng
Phone: (800) 359-1991
Address: 4500 Cherry Creek S Dr, Denver, CO 80246
Purpose: Child Health Plan Plus (CHP+) is low-cost health insurance for Colorado's uninsured children and pregnant women. CHP+ is public health insurance for children and pregnant women who earn too much to qualify for Medicaid, but cannot afford private health insurance.

Cover Colorado
Web Address: https://www.covercolorado.org/
Phone: Enrollment Office: 1-866-787-9129
Enrollment Fax: 303-962-1145
Enrollment Email: covercolorado@covercolorado.org
Address: Cover Colorado, 425 South Cherry Street, Suite 160, Glendale, CO 80246
**Purpose:** Cover Colorado offers insurance for individuals with health conditions that are unable to receive coverage from a private insurer and for people that are HIPAA eligible. They offer eight plans with differing deductible amounts. With exception of the highest deductible plan which covers 100% of prescriptions once the deductible is met, all other plans offer prescription assistance before the out of pocket deductible is met.

**Recognized Education Programs in Colorado- AADE**  
http://www.diabeteseducator.org/ProfessionalResources/accred/Programs.html#Colorado  

**Recognized Education Programs in Colorado- ADA**  
http://professional.diabetes.org/ERP_List.aspx  

The above programs meet national standards for Diabetes Self-Management Education. These programs are 6 weeks in length with one 2.5 hour session per week. They are offered in a group setting and facilitated by trained leaders, one of which having diabetes themselves. Areas of education include: techniques to deal with symptoms of diabetes, exercise, nutrition, medication, and working with health care providers more effectively.

**Recognized Diabetes Prevention Programs in Colorado**  

The National Diabetes Prevention Program is an evidence-based lifestyle and program aimed at the prevention of diabetes. The program is based off of a study conducted by the NIH and CDC to determine if modest weight loss, lifestyle alterations, and/or medication could reduce ones risk of developing diabetes. The program is run in a group setting with a lifestyle coach. In the initial study, researchers found that lifestyle changes leading to modest weight loss decreased the risk of developing type 2 diabetes by 58% for those that were at high risk.

**ADA (DiabetesPro)**  
*Phone:* 1-800-DIABETES (800-342-2383)  
*Address:* 1701 North Beauregard Street, Alexandria, VA 22311  
*Purpose:* A list of diabetes education programs in Colorado
