Colorado Department  
of Public Health  
and Environment

### Tobacco Settlement Monitoring Report and Proposed Board of Health Recommendation

The Board and the Department are responsible for monitoring the operation and effectiveness of tobacco settlement programs required pursuant to Section 25-1-108.5 C.R.S. and reports to the General Assembly regarding the distribution and management of the funds.

Each year, the Board reviews the report and makes a recommendation related to the continuation of funding for core tobacco settlement programs.

The Board discussed the need for more information to effectively monitor the tobacco settlement programs and make a recommendation to the General Assembly, including:

- ✓ funding streams and allocations,
- ✓ programmatic outcomes measures,
- ✓ the impact of the Affordable Care Act
- ✓ the need for common metrics
