EMS Scope:

Epicurean Group's Environmental Management System primarily focuses on the Culinary Headquarters due to the fact that all usage is entirely in our control. The secondary focuses are Mangia Bevi, Denver Performing Arts Center, and Sports Authority Field.

EMS (Environmental Management Statement) and CSR (Corporate Social Responsibility)

Policy:

Epicurean is committed to protecting the environment, serving the highest quality of local food when possible and being the most efficient we can be. It is our policy to seek improvements throughout our operations to lessen our impact on the local and global environment by conserving energy and water, consumption through efficient administration, equipment selection, usage and disposal, food storage, preparation and cooking. We strive to minimize recycling, composting, source reduction, donation and purchasing post-consumer and biodegradable products. We source local, seasonal, organic ingredients featuring sustainably farmed produce, meats and beverages. We are committed to providing relevant environmental training and promoting environmental awareness to employees, clients and suppliers. We are committed to continuous improvement and meeting or exceeding all environmental regulatory requirements.
