

SERENDIPITY CATERING ENVIRONMENTAL POLICY

Original Issue Date: 12 March 2015

Revised: 29 June 2015

Serendipity Catering is dedicated to working with our clients, partners, vendors and staff towards an economically and socially viable future. This dedication includes a strong interest in the health and protection of our environment; we all have a personal stake in environmental stewardship.

Serendipity Catering is committed to conducting its business operations in a manner that is consistent with concern and respect for our environment and natural resources. Our operational policies and decisions reflect a strong belief in sound environmental management and resource conservation.

Serendipity Catering will work toward continual improvement of our Environmental Management System, with the goal of improving our sustainable performance through the prevention of pollution and the minimization of waste. Our performance will be continually measured against stated objectives and targets.

- Serendipity is committed to Compliance with legal and other requirements.
- Serendipity is committed to Pollution Prevention
- Serendipity is committed to continuous improvement.
- Serendipity will share environmental performance information with our community.
- Serendipity's environmental policy is communicated, internally and externally.

This policy shall be communicated to all employees and individuals working on behalf of Serendipity Catering.
