

Sustainability Policy

Sustainability Policy for Pellman's Automotive

Pellman's Automotive Service, Inc. is an automotive repair and maintenance facility located in Boulder, Colorado. We are dedicated to caring for our environment and feel a responsibility to adopt business practices that will minimize the impact our business will have on the Boulder County environment.

In order to achieve these goals, we are committed to:

- Continuous improvements in our environmental programs and performance metrics with an eye on social impacts and welfare
- Establishing and periodic review of significant environmental aspects and ensuring that they are in the forefront when setting and reviewing objectives and targets in our Environmental Management Program
- Minimizing our pollution of the land, water and air to the extent that our business practices allow
- Maintaining compliance with all applicable Federal, State and local environmental laws and regulations and to other requirements to which we subscribe

This policy shall be communicated to all employees and we will work together to achieve these goals and to be a good example to our business community and the public.
