Date

To Whom It May Concern:

The city of [.....*name*.....] supports the project proposed by the Super Green Recycling Company. We look forward to the opportunity to be a potential Project Partner in the activities of the Super Green Recycling Company's Hub-and-Spoke network proposal entitled [.....*title of project*.....].

In the event the proposed project is funded by CDPHE, we anticipate that we will be able to provide [.....*brief description of role in the project and any resources that will be committed*.....]. It is understood by all parties involved that these commitments are not legally binding.

We are convinced that by working with the Super Green Recycling Company on this project, we will provide the public within our service area increased access to recycling. In this context, we are excited at the prospect of partnering with the Super Green Recycling Company, and if the proposal is approved for funding, we will work to ensure the project's overall success to the best of our abilities.

Yours sincerely,
