

# Colorado School Rules & Regulations Training

This free e-learning course is designed to provide an overview of the *Rules & Regulations Governing Schools in the State of Colorado*. The course is intended for health inspectors, school and district staff, and any other parties with an interest in learning about the health and sanitization requirements for schools. This course should take approximately 2-3 hours to complete, and a certificate will be issued upon completion.

To register for the course go to
