

2009 PARTNERSHIP/S-CORP INCOME TAX PAYMENT VOUCHER

See Instructions Below

Print the completed form and submit with your payment.

Use Form DR 0900P below to submit your payment if you:

- file using any electronic method,
- or are, for some other reason, sending your payment separate from your return.
- To avoid a bill from being issued prior to the Department receiving your payment, taxpayers who e-file under extension can use e-pay when filing their return.
- Be sure to round your payment to the nearest dollar. You must enter 00 after the decimal point. The amount on the check and the amount entered on the payment voucher must be the same. This will help maintain accuracy in your tax account.

DO NOT send another copy of your tax return with your payment because the DR 0900P contains all the information required to match your payment with your return.
