Annual Reconciliation of Income Tax Withheld on Gaming Winnings (see form on page 2)

Instructions

If you are filing an amended return, check the amended return box. A separate amended return must be filed for each period. The amended return must show all tax columns as corrected, not the difference(s). The amended return will replace the original return in its entirety.

Use this form to reconcile the amount of backup withholding remitted with the total reported on Forms W-2G.

If additional tax is due, put the amount on line 3A. Compute penalty at the larger of 5% (.05) of the balance due for the first month you are late and 1/2% (.005) additional penalty for each additional month you are late. The maximum penalty is 12% (.12), and the minimum penalty is \$5.00.

Compute the interest due at the statutory rate printed in FYI General 11 at www.TaxColorado.com

If there is an overpayment, put the amount of line 3B. You must apply for a refund of the overpayment of tax by filing DR 0137. This form may be obtained online at www.TaxColorado.com

Send the W-2G form(s) along with this form for the applicable period. Mail them to:
